

THESE YOUNG LADIES are members of Girl Scout troop 38 who have taken on the project of repairing toys they have outgrown with plans to give them to migrant children at the Nyssa labor camp. This activity is part of their Community Life requirement while working on a second class rank. The little ladies are (left to right) Ann Colby, Karla Simpson, Roxanne Mason, Julie Weymouth, Linda Colby, Leah Henigson and Lineta Stedman. Another member of the troop, Jane Rush, was not on hand when the photo was taken last Thursday afternoon at the Hal Henigson residence. The girls made the doll clothes, repaired and refurbished the dolls and beds displayed in the picture. The toys will be given to Mrs. William Schireman who in turn will present them to the labor camp children. —Journal Photo.
