DAIRYMAN SAYS NIGHTGUARD LIGHTING IS
"Great for night feeding"
—W. P. Bienapfl, Meridian, Idaho

"We often have early morning or after dark work, especially in winter. The Nightguard light is a real help when we are getting the cows into the corrals and is great for night feeding. Its bright mercury vapor light reaches clear back into our loafing sheds, so we can always see what we are doing."

AVAILABLE NOW! To arrange for early installation of Nightguard Lighting on your property, call your local Idaho Power Company office.
