**A Lesson in Socialism . . .**

By Thomas J. Shelly

As a teacher in the public schools, I find that the socialist-communist idea of taking "from each according to his ability," and giving "to each according to his need" is now generally accepted without question by most of our pupils. In an effort to explain the fallacy in this theory, I sometimes try this approach with my pupils:

When one of the brighter or harder-working pupils makes a grade of 95 on a test, I suggest that I take away 20 points and give them to a student who has made only 55 points on his test. Thus each would contribute according to his ability and—since both would have a passing mark—each would receive according to his need.

After I have juggled the grades of all the other pupils in this fashion, the result is usually a "common ownership" grade of between 75 and 80—the minimum

**Students and Adults to Be Confirmed In Evening Rites at St. Bridget's Church**

The sacrament of confirmation will be conferred by the Most Rev. Francis P. Leipzig, D.D., at St. Bridget's church in Nyssa on Monday evening, March 25, at 7:30 p.m., according to announcement by Father John Baumgartner.

For the past few weeks special classes have been held to prepare students for a more worthy reception of this sacrament.

Forty students from the sixth, seventh and eighth grades and five adults will be confirmed by the bishop.

**Play to Be Presented At Christian Church**

A one-act play, "New Times Require a New Spirit," will be presented Sunday morning, March 24, during the 11 o'clock worship service at Nyssa Christian church. The play portrays the Smith family (played by Mr. and Mrs. Elvin Ballou, Linda Ballou and Jerry Strickland) reacting to the indicated desire of their son, Jackie Smith, to be a medical missionary.

According to the Rev. Wallace Prowell, this is an inspiring and challenging play filled with disturbing moments and surprising encounters of John Smith, the father, with various personalities. Everyone is welcome to attend the morning worship, during which time the play will be presented, the Rev. Prowell concluded.

**METHODIST SENIOR HIGH GROUP HAS RECENT PARTY**

**Rites Held Monday For Samuel Tyson, Instructor at Adrian**

Funeral services for Samuel E. Tyson, Adrian school teacher, were conducted Monday morning, March 18, 1963, at Kirkpatrick Memorial Presbyterian church in Parma. The Rev. Wayne Wardwell was officiating minister.

Mr. Tyson succumbed Friday at Malheur Memorial hospital after suffering an apparent heart attack earlier in the week.

He was born Nov. 5, 1911, in Rupert, Idaho, was a graduate of Jerome high school and was graduated in 1935 from College of Idaho in Caldwell.

On Jan. 5, 1932, he was united in marriage to Dorothy Grosvenor in Vale and taught school in Eagle and New Meadows before serving in the U. S. Navy during World War II. The couple moved after the war to Parma where Mr. Tyson was manager of the Parma Telephone company for a year and then taught school in Parma until 1953, when he transferred to the Adrian schools.

He was a member of the Parma Presbyterian church, was very active in the Masonic lodge and Eastern Star chapter and held high offices in each. He was also a member of Veterans of Foreign Wars organization and American Legion post commander, member of the education associations of both Idaho and Oregon, past president of Malheur County Education association as well as a life member of National Education association.

He was a member of the Parma Volunteer Fire department, a former member of the village board and served for 20 years as scoutmaster.

In addition to his widow, he is survived by one son, Stephen E. in the U. S. Navy; two brothers, Robert C. in Saigon, Vietnam, and William E. of Sweet Home, Ore.; and one sister, Mrs. R. J. Lillywhite of Burley. One son, David, died in infancy.

Interment was made at Roswell under direction of Peckham-Dakan-Davis chapel. Parma lodge No. 40, AF&AM, conducted graveside services. Pallbearers were Gordon Dickerson, Irvin Zimmerman, DeLance Franklin, Charles E. Johnson, Berry I. Wild, Wallis Hart, Mark Noel and Orval Zimmerman.

"Stretch forth thine hand... And the withered arm that stretched forth toward Him was made whole."

Today, the hands of Protestants reach forth... with help... to their brothers in countries over seas.

And doctors in many lands, supported by your Church, reach for the stretched arm of the sick child... and quickly the child receives a life saving serum or anti-biotic.

This Sunday, March 24th, stretch forth your hand... to help. Give and give generously during One Great Hour of Sharing.

**St. Patrick's Theme Used by Methodists At Fellowship Dinner**

Methodists having March birthday anniversaries were honored at a fellowship dinner March 13 in the church social hall.

A St. Patrick's day theme was carried out in table decorations and the cake. Hostesses were Mrs. Dudley Kurtz and Mrs. Grover Lytle.

Honored guests included Mrs. Paul Ludlow, Mrs. Cecil Evans, Miss Janice Evans, Mrs. George Stockfleth, Mrs. James Stephen, Elaine Kurtz, Patsy Wilson, Craig and David Robbins, Russell Gressley, Timothy Klinkenberg, Mr. and Mrs. Raymond Sager.

Following the dinner, a St. Patrick's program was presented under direction of Mrs. Merilean Robbins. Lurelle Robbins played a piano solo and Patsy Wilson recited a poem.

Cecil (Patrick O'Malley) Evans gave a talk on the history of St. Patrick's day. Accompanied by Mrs. Cecil Evans, Mrs. Gilbert Klinkenberg sang a medley of Irish songs with the audience joining in on the chorus of some. Mrs. James Stephen was in charge of a "Pat and Mike" quiz and Mrs. Robbins read a poem, "Patrick O'Grady's Mistake."

Also on the program was an Irish hospital skit starring the Rev. Paul Ludlow as the Irishman. Other cast members were Larry Lytle and Bonnie Sager. A piano solo was presented by Sherrill Jean Robbins.

Those present were then divided into groups according to their birth months and each group was given five minutes to prepare a short number for the program.

**IN APPRECIATION**

Please accept our thanks for concern shown during Mr. Tyson's brief illness and for the many flowers and expressions of sympathy which have helped to ease the sorrow in the loss of our loved one.

**From This Corner . . .**

By T. M. B.

Most country publishers are poor advertisers for themselves . . . they do little advertising in their own papers . . . don't tell of the public services they perform for the community . . . don't list what they print other than a paper.

Yet they are ever extolling the virtues of the weekly to the retail merchant. They tell him that they cover the area like a blanket . . . that it is read by an average of four to the family . . . that it is unlike radio or tv in that it can be read at the pleasure of the subscriber . . . that it is not necessary to have eye or ear glued to a machine at a proper time. And that it reaches only the customers in their trade territory and that is all they pay for in their ads.

Maybe the reason is false modesty! Anyway we're breaking away from the theory a bit this week.

We are using a different newsprint—started last week—that we think is a great deal better than we have been printing on before. We haven't received many compliments on the change but ask that you please note and see if you don't find better pictures, easier reading and a better appearing paper in general. We think it looks as well as many papers printed by the offset method.

And since we're tootin' our horn—might as well make it real personal. At the end of the first week's play in the state bowling tournament in Pendleton we're on top of Class D "all-events" with 1627 pins scratch, in fifth place in singles with 544 and the Gate City Journal team is in second place in team event. This had to be told now for there are five more weekends of bowling and these positions will likely all be changed by another week!

All isn't sunshine and light here at the Journal office. While we were gone to Pendleton one of our printers decided to leave for parts unknown and without notice. Also disappearing at or near the same time was \$36 currency from the money sack. Funny, too, the guilty party left about \$17 in silver within the sack. (Maybe too lazy to carry it.)

Notice the government granted \$103,000 as matching funds for the construction of a new county jail. The funds were available because for nine

months out of 12, prior to last August, we were declared an area of high unemployment. (We are now much lower than the national average but the funds will purchase the same number of votes as had it been dished out the middle of last year.)

Federal aid is like a man getting a blood transfusion by taking the blood out of his left arm, putting it in his right and spilling about half of it on the way.

Believe we read where the unemployed figure had reached above six percent over the nation—should it remain that way long enough all you poor communities who didn't get any \$103,000 will soon be eligible. We will then have spent ourselves into a period of prosperity and won't need any federal aid . . . so how will the politicians buy votes?

EZ Tike comments that the trouble with the national economy is that there isn't any.
