Work Smarter . . . Not Harder

By BERNICE STRAWN, Extension Home Management Specialist

"It's not counting steps, but making your steps count that wins our goals." This is a favorite saying of Murie Scales, our extension service supervisor. It makes good sense, doesn't it?

Even though we might benefit from exercise, there's a lot of difference between needless steps and those that really lead us somewhere. Do you plot your path when you're house cleaning?

CREDIT ISN'T FREE!

That's the gist of a visit we had with Mrs. Alberta Johnston, extension family finance specialist at OSU. She says it will pay you to figure the dollar costs. For instance, if you're buying a car, a 10 w monthly payment doesn't necessarily mean the total payment is low.

If you get a \$2,000 car loan at 7½ percent interest and pay for it in 36 months, you'll pay \$240 total finance charges. But if you pay it off in 12 months, your finance cost is only \$82—a saving of \$158 by paying for the car in one year instead of three.

The same goes for any other installment buying such as for an appliance or a house, says Mrs. Johnston.

PLAY PRESENTED SUNDAY BY LOCAL CONGREGATION

A play, "New Times Require a New Spirit," was presented last Sunday morning at the Christian church by several members of the congregation.

VISITORS FROM UTAH

Mr. and Mrs. Marlin Hansen of Smithfield, Utah, left last Thursday after spending several days with her sisters, Mrs. Kenneth Cottle and Mrs. Frell Blair. The latter is convalescing at home following surgery.

VISIT GRANDPARENTS

Joan Marie and Janice Smith of La Grande spent last week visiting their grandparents, Mr. and Mrs. Dwight Smith. Other Sunday dinner guests in the Smith home were Mr. and Mrs. John J. Smith and family of Caldwell.

SPEND SUNDAY IN BOISE
