NOTICE OF VACATION

OF STREETS

Notice is hereby given that on the 12th day of March, 1963, the City Council of the City of Nyssa, Malheur County, Oregon, at a regular session, adopted a Resolution instituting proceedings to vacate certain streets in the City of Nyssa, Oregon, more particularly described as follows, to-wit:

All that portion of South Sixth and Eighth Streets between the south line of Thompson Avenue and the north line of Commercial Avenue.

Reserving at all times in and to the City of Nyssa an easement and right-of-way over, across and under said above described streets for the purpose of installing, maintaining, replacing and otherwise operating sewers and any or all public utilities or city facilities.

Notice is hereby further given that said City Council has fixed the 23rd day of April, 1963, at the hour of 8:00 o'clock p.m. of said day at the Council Chambers at the City Hall of Nyssa, Malheur County, Oregon, as the date, time and place for hearing and considering said Resolution and any objections to and protests against the vacation of said above described streets, and for determining whether the public interest will be prejudiced by the vacation of the same and for the determination of such other matters relative thereto, as are required by law to be passed upon and determined by said City Council.

All property owners and other persons affected by said vacations and desiring to object to said vacations shall present their objections to the City Council and/or the City Recorder of the City of Nyssa as by law required.

This notice is given pursuant to Resolution No. 249 of the City of Nyssa and the laws of the State of Oregon in such cases made and provided.

Dated at Nyssa, Oregon, this 13th day of March, 1963.

Products move to and from
the farm on Union Pacific...
the automated
rail way

Agriculture is big business affecting every phase of our economy and personal well-being. Machinery, equipment and supplies are shipped to the farm. Produce and processed farm products must move to market swiftly and dependably.

Now, with modern processing and modern transportation, people enjoy "in season" products all year long.

Today, on Union Pacific, electronically controlled traffic and communications help move farm and ranch products to your market the automated rail way. When you ship anything — be specific, say "Union Pacific."

See the West at eye level from a Domeliner. Superb meals. Family Fares. Liberal baggage allowance. Vacation stopover privileges.
