CONTINUING PURINA RESEARCH

One of the "extras" you get when you feed from the Checkerboard bag

The nutritional needs of livestock and poultry are under continuing study at Purina Research laboratories and farms across the country.

Purina has devoted more than 30 years of practical research to getting answers from birds and animals as to what they need to produce more meat, milk, and eggs at low cost.

Each new Purina Chow or Health Aid we sell has already proved its value in Purina Research Laboratories and at Purina Research Farms. Products carrying the Checkerboard label have proved their worth.

Our servicemen are trained and experienced in handling feeding, management, and sanitation problems. They are in constant touch with new developments in Purina research. You can depend on their help.
