High School Student Gives Views On Bowling, Nyssa's Newest Sport

According to Manager Bill Purcell, Nyssa Sugar Bowl is trying to establish the bowling sport in the high school so that students can actually get a letter the same as in football, tennis and other competitive sports. The bowling team would compete against Vale, Ontario, Adrian and other surrounding communities.

Purcell told a Nyssa high school reporter that indirectly the bowling lanes will help the tax structure of each individual in the city because before there were bowling facilities in Nyssa so many people were going to Ontario to bowl and would just stop at the shopping center and do their week's grocery shopping. Now that Nyssa has lanes there will be more business for local merchants.

Casualties Listed

Every sport has its memorable moments and its casualties; bowling is no exception. According to Manager Purcell, bowling is very good for people with arthritis. Some of the casualties during the past year occurred when Max Dane broke his finger while bowling; Billy Marcum was practicing his bowling on the lawn

at home and broke his leg; Frank Rambaud bowled in the district tournament at La Grande with a broken finger because he refused to tell his mother he had broken it.

Three bowlers were elected to the Hall of Fame this year. One of them, Steve Nagy, attracted a crowd of about 600 people here when he bowled against Mrs. Kay Brendle.

Entering Slack Season

Because it is once again the planting season and students are going to be working this summer, the Nyssa Sugar Bowl is entering its slack season.

The bowling alley has contributed to the aid of solving any juvenile delinquency problems that Nyssa might have by giving teenagers and other juveniles a place to go for recreation. Other

than swimming, bowling is the only organized recreation offered to students of the Nyssa and surrounding school systems.

Although many adults bowl, the Sugar Bowl was built definitely in the interest of the youth. These youth bring their parents, who in turn invite their friends to try this exciting sport that is sweeping the nation. If there were no youth in the community, there would be no bowling lanes.

"We appreciate the patronage and interest received from Nyssa and surrounding communities," Purcell commented.
