Track Interests Junior High Girls

(From the Nyssa High Bulldog)

Junior high girls have been running, jumping and getting in shape for their new track team. Events that are participated in are the 50-yard dash, 75-yard dash, broad jump, shuttle relay and circular track relay.

At the meet with Vale and Adrian May 10, during the annual junior high picnic, the girls participated in mixed school activities to get acquainted with visiting school members. These included tug-of-wars, three-legged races and the sack race. Trophies were awarded to the winners.

"I think it's good for the girls to be able to participate in this so they get to know other kids and know more about track," commented Miss Joleen Reece, adviser.

Two Nyssa Students Enrolled in School Of Science Program

Sandra J. Lewis and Michael B. Wilson are enrolled in the school of science honors program this year at Oregon State university. Both are sophomores.

The program was started three years ago to enrich educational opportunities for the more able students and to recognize scholarly achievement.

A total of 67 freshmen, 50 sophomores, 23 juniors and 15 seniors are participating this year.

Under the program, students are enrolled in honors sections in several departments, do extra work such as readings, research and seminars and take some special classes. At graduation they receive diplomas that indicate honors in their specific fields.

The program helps provide superior students with a chance to go as far and fast in college as they can, or choose to go, said Dr. C. L. Anderson, chairman of the faculty committee that directs the program.
