CORRECTION . . .

The report in last week's Journal that the city council had approved a 10-foot curb cut in front of Bracken's Department store was in error. It should have indicated a five-foot cut.

Standard Oil officials had asked for the 10-foot cut but Fred Bracken, store owner, denied the request, declaring that amount would cut out too much of his window display space.

Score Not Available For All-Star Game; Boys Express Thanks

Babe Ruth All-Star Coach Jerry Myrick has announced that the double-elimination game schedule at Pendleton was changed since date and time were announced in the Journal last week.

The Ontario Elks all-stars played their game with Madras at 8:30 last evening. The game was in progress at the time the final run of the Journal was on the press, so no score was available for publication.

The boys left yesterday afternoon for Pendleton, accompanied by Coaches Myrick of Nyssa and Maurice Chester of Vale.

End Season With 8-6 Record

The Nyssa Babe Ruth boys ended their season with an 8 win, 6 loss record. In their final contest with Payette, the local team won by an 8-7 score. Pitchers for the game were Mike Kodama, Brad

SPEND WEEKEND FISHING

Neils Larson and sons, David Williams, Buddy Shipley and Steve Marez returned Sunday evening from Unity where they spent the weekend camping and fishing.

Burningham and John Moore. Bobby Smith was behind the plate all the way.

Five of the Babe Ruthers were selected for the Elks all-star team, including Kodama, Moore, Gerald Wyckoff, Pat Moss and Myron McCrady. These boys, together with others from Vale and Ontario, made up the team playing at Pendleton last evening.

Coach Jerry Myrick has asked the Journal to express his appreciation, on behalf of all the boys, to Nyssa umpires John Messick, Jess Ditty, Tim McGinnis, Mel Calhoun, Steve Quinn and Max Dane for their fine cooperation.

The group also expresses thanks to residents of the area for support given during the season.

Mrs. Brendle Named Certified Instructor

Mrs. Harold (Kay) Brendle has been named a certified bowling instructor and received her patch last Thursday, issued by Central Idaho Bowling Proprietors association.

Mrs. Brendle attended a four-day bowling instructors' school held in June at Twin Falls.

The school was conducted by Joe Joseph, nationally known member of the Professional Bowlers' association and also a member of the Brunswick staff. He holds the men's national doubles' championship, together with Billy Golembiewski.
