

## Newlyweds Leo and Shirley Schutter Plan Residence in Florence, Oregon

MR. and MRS. LEO W. SCHUTTER  
—Portrait by Schoen.

St. Bridget's Catholic church in Nyssa was the scene of a 10 o'clock wedding ceremony performed on the morning of Aug. 17, 1963, when Shirley Jean Skinner became the bride of Leo William Schutter.

The new bride is a daughter of Mr. and Mrs. Claude Skinner of route 1, Nyssa. The bridegroom's parents are Mr. and Mrs. Prosper Schutter of Brewster, Wash.

Father John Baumgartner performed the double-ring rites, while altar boys were Jim Schutter, brother of the bridegroom, and Bruce Jackson. Soloist was Father Rodriguez from Mexico who also played "Ave Maria." Wedding music was furnished by Mrs. Harry McGinley.

Given in marriage by her father, the bride was attired in a floor-length gown of lace over taffeta and net. Her shoulder-length veil was held by a tiara of flowers and pearls and on a white prayer book she carried a bouquet of pink baby orchids.

Attending the bride as matron of honor was Mrs. Robert Skinner, her sister-in-law. Starlet June Schutter, sister of the bridegroom, was bridesmaid. They were dressed in gowns of blue brocade taffeta with matching

hats and carried fans graced with bouquets of pink gladioli and roses.

Francis Schutter served as best man for his brother, while usher was Robert Skinner, brother of the bride.

Robbin Schutter, niece of the bridegroom, was flower girl. She wore a taffeta dress of blue brocade and scattered rose petals from a blue and white basket. Attending as ring bearer was Robert Brian Skinner, the bride's nephew, who carried the rings on a white pillow made by Mrs. Homer Gere, the bride's aunt.

For her daughters wedding, Mrs. Skinner wore a dress of navy blue with white accessories. The bridegroom's mother was attired in a beige dress and white accessories. Both wore corsages of pink carnations.

A reception was held in the Catholic parish hall with ladies of St. Bridget's Altar society in charge.

Flowers, furnished and arranged by Mrs. Mable Houston, and a three-tier wedding cake graced the serving table. The cake was decorated with pink roses, white swans and was topped with traditional bride and groom.

In charge of serving refreshments were Mrs. Roy Hirai, Mrs. Neal Nicholson, aunt of the bride, and Mrs. Francis Schutter, sister-in-law of the bridegroom.

Mrs. Garry Fife registered the guests, while the gift table was under supervision of Mrs. John L. Thiel and Mrs. Louis Stam.

The new Mrs. Schutter is a graduate of Adrian Union high school and Oregon State university in Eugene where she was a member of Alpha Xi Delta sorority. The bridegroom was graduated from high school in Brewster, Wash.

For her wedding trip to Montana and Washington, the bride wore a three-piece suit of blue crepe with black and white accessories. The newlyweds are residing in Florence, Ore., where the bridegroom is employed.

Among out-of-state guests attending the wedding and reception were Mrs. Neal Nicholson, Dea Ann and Allen of Boise, Mrs. Clarissa McEwen and girls of Nampa, Gary Launt of Caldwell, Mr. and Mrs. Robert Skinner and Bay of El Sobrante, Calif., Mr. and Mrs. Prosper Schutter, Starlet and Jim of Brewster, Wash., Mr. and Mrs. Francis Schutter and Robbin, also of Brewster.

### Breakfast Most Important Meal

Watching your weight? Count on breakfast . . . it's the most important meal of the day according to nutritionists. The protein in a good breakfast helps prevent any mid-morning slump and over-eating at other meals. Protein, of course, is found in eggs, meat and milk we eat at breakfast. Remember, if you're watching your weight, count on breakfast.

### GARBAGE DISPOSERS

. . . are groaning with melon rinds, corn cobs and fruit pits. And isn't it always when a party is on that the disposer goes off! Maybe it's rebelling because of abuse.

Rubber and metal bands that come around bunches of market vegetables cause trouble. Don't let glass or metal objects fall in the disposer.

Do you know where and how to set the manual reset button? Your instruction book will tell you and you'll need to know.

Always start cold water running before you turn on the disposer. Never use hot water and avoid chemical drain cleaners. Some manufacturers of disposers void the warranty if these chemicals have been used.

### WORKING WIVES . . .

Have trouble keeping up with the laundry during warm weather?

A three-way hamper is a boon to getting the job done. In one section toss overnight laundry—the blouses and underwear that should be washed and ready to wear tomorrow. Drop clothes that can wait until the weekend in another part. Linens and towels can pile up for a while in the third section.

### IT'S BACK TO SCHOOL

. . . not only for youngsters but for many mothers, too. Homemakers have called us to ask how they can get all their work done while taking college courses in hopes of getting back to teaching again.

Teachers are certainly needed and we commend them for taking on extra responsibilities. This calls for careful time planning and each person's problem is different. Our extension bulletin, "Work Smarter — Not Harder," will give you some ideas. Write me at OSU for your free copy.

### SMART MOTHERS TAKE A LOOK

. . . at changing the environment if they want to change a child's behavior. Mrs. Roberta Frasier, OSU family life specialist for the extension service, cites this example. If the youngsters tend to kick each other under the dining room table—try rearranging the seating.

Put the kids at the end and mother and dad across from one another at the narrowest spot. Sometimes just a simple rearrangement will make life easier for everyone.

A good way to start is to take an objective look at some of the situations which end in trouble.

### NAMPA RITES CONDUCTED FOR FORMER SCOUT HEAD

Services for Keith Thompson Gates of Boise were conducted Monday morning, Aug. 26, 1963, at the LDS stake house in Nampa. Interment was made in the LDS Garden at Hillcrest cemetery.

Mr. Gates was born April 28, 1932, at Ferron, Utah. He was graduated from Nampa high school and Brigham Young university and had resided in Boise since June. He succumbed last Thursday at Twin Falls.

The deceased will be remembered by many in Nyssa as he served last year as executive for the Ore-Ida council of Boy Scouts and visited here on numerous occasions.

### GOING PICNICKING?

. . . Keep your vacuum bottle sweet smelling. After each use, fill it with cold water and one tablespoon baking soda. Leave stopper out and allow solution to stand in bottle for several hours. Rinse with clear water.

### Coming Events . . .

Aug. 30—Malheur county pioneer picnic in Vale park.  
Sept. 1, 12:30 p.m. — Owyhee pioneer picnic in Nyssa south park.  
Sept. 3—School begins.  
Sept. 3, 1:30 p.m. — Methodist WSCS executive meeting in the church.
