THE YOUNG LADY in this photo is Miss Kathy Brady, a "Candy Stripper" who has worked this summer as an aide in the nursing home wing at Malheur Memorial hospital. Here she is shown combing the hair of Laura Emmer Davis, a nursing home patient. Looking on is Mrs. Connie McClun of Payette, head nurse at the local hospital. Mrs. McClun has held this position for approximately a year, having replaced Mickey Milosh. Kathy is a daughter of Mr. and Mrs. E. I. Brady of Boise and has been spending the summer with her grandmother, Mrs. J. I. Brady at her home on route 2, Nyssa, while working at the local nursing home. "Candy Strippers" are young girls, ages 15 through 18 who are interested in a nursing career. They work without pay with only a reward of actual experience and training. In addition to grooming the patients, Kathy's work has included changing of beds, serving meals and other refreshments and many other all-around duties adding to the comfort of the elderly patients. Miss Brady became interested in the work while residing in Billings, Mont. The family moved to Boise in May this year. Mrs. McClun and other, working with the young aide remarked to a Journal reporter, "We will really miss Kathy. We like her so very much, she has done excellent work and we were happy to have her around as she cheerfully performed her 'Candy Stripper' duties." The young lady will soon enter Borah high school in Boise as a member of the sophomore class.

BIG, TOUGH, RUGGED

- CHAMPION of big fields, heavy yields**
- 12, 14, 16, 18, or 20-ft cut
 - 4-row corn head
 - 106-hp engine
 - Over-center disc clutch for positive control of separator drive
 - 113-in. straw racks
 - 70-bu grain tank

BIG is the word for the new 503 . . . big outside with a cut up to 20 ft . . . big inside with a separator 46-in. wide all the way through, and a tough 106-hp engine. And there's rugged strength in every detail . . . structural steel sills, beefy axle supports, and husky steel separator posts . . . to take rough, ridged fields in stride, season after season. You'll like the 503's easy handling and control, too. Right from the high, comfortable driver's seat, you can check tailings, see clean grain in the tank and make instant concave adjustments. The new low lines improve stability, make the 503 easier to transport and store. See how extended 48 1/2-in. cylinder gives you exclusive, full-width threshing.
