NOTICE TO MINING CLAIMANTS

Published pursuant to section 5 of the act of July 23, 1955 (69 Stat. 367).
To: **Whoever it may concern:**

PROCEEDING NO. BLM 66-1 (Oregon 013739).
Notice is hereby given in pursuance of a proper request for Publication heretofore filed in accordance with section 5 of the act of July 23, 1955 (69 Stat. 367), and the regulations thereunder (43 CFR 155.123-155.127).

That on August 6, 1963, the State Director, Bureau of Land Management, whose address is 710 N.E. Holladay, Portland, Oregon 97232, filed in the Land Office of the Bureau of Land Management, Department of the Interior, at 710 N.E. Holladay, Portland, Oregon 97232, a request for publication of notice to all mineral locators or any person claiming under them involving a mining claim or claims located on all lands within the boundaries of the United States and under the jurisdiction of the Bureau of Land Management in the County of Malheur, State of Oregon described as follows, to wit:

Willamette Meridian
T. 13 N., R. 42 E., sec. 17 to 21 incl., sec. 26 to 33 incl. T. 14 S., R. 42 E., sec. 22, T. 24 S., R. 45 E., sec. 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100.

2. That if any person claiming or asserting under, or by virtue of any unpatented mining claim located prior to July 23, 1955, any right, title, or interest in the vegetative surface and/or surface resources, under such mining claim, contrary to or in conflict with the limitations or restrictions specified in section 4 of said act, as to the above-described lands or any part thereof, shall file in the Land Office of the Bureau of Land Management at 710 N.E. Holladay, Portland, Oregon, and within 150 days from the below-stated date of first publication of this notice, a verified statement which shall set forth as to such mining claim:

(1) The date of location;
(2) The book and page of recordation of the notice or certificate of location;
(3) The section or sections of the public land surveys which embrace such mining claim; or if such lands are unsurveyed either the section or sections which would embrace such mining claim when the public land surveys are extended to such lands or a tie by courses and distances to an approved United States mineral monument;

(4) Whether such claimant is a locator or purchaser under such location; and
(5) The name and address of such claimant and names and addresses so far as known to the claimant of any other person or persons claiming any interest or interests in or under such unpatented mining claim; such failure shall be conclusively deemed (1) to constitute a waiver and relinquishment by such mining claimant of any right, title, or interest under such mining claim contrary to or in conflict with the limitations or restrictions specified in section 4 of the Act of July 23, 1955 (69 Stat. 367), as to unpatented claims located after that date, and (ii) to constitute a consent by such mining claimant that such unpatented mining claim shall be subject to said limitations and restrictions, and (iii) to preclude thereafter, prior to issuance of patent, any assertion by such mining claimant of any right or title to or interest in or under such mining claim contrary to or in conflict with said limitations or restrictions. Section 4 provides, generally, that unpatented mining claims located after July 23, 1955 shall not be used for purposes other than prospecting, mining, or processing operations, or uses reasonably incident thereto; that such claims will be subject to the right of the United States to manage and dispose of the vegetative surface resources thereof and to manage other surface resources thereof; and that, except to the extent required for mining operations and uses reasonably incident thereto or to provide clearance for such operations or uses, claimants of such claims shall not use or dispose of vegetative or other surface resources thereof; and that, except for clearance for such purposes, any permitted severance or removal of timber must be in accordance with sound principles of forest management. Said section 4 also provides that any use of the surface of any such mining claim by the United States, its permittees or licensees, shall be such as not to endanger or materially interfere with the prospecting, mining, processing or reasonably incident uses by the mining claimant.

The date of first publication of this Notice shall be Oct. 3, 1963.
