Mr. and Mrs. Ted Brammer
Gate City Journal
Nyssa, Oregon

Dear Ted and Arlene:

The Nyssa high school band just completed a wonderful experience. It was a real thrill to accompany such a group of young folks on a trip to Pasadena.

I would like to personally thank you folks at the Gate City Journal for the wonderful support you gave both through your contribution and the articles in the paper.

This trip has been the result of lots of hard work by the entire band but particularly we need to thank Mr. Frank Turner and Mr. Bob Q. Smith who each did his part in making such a trip possible.

Kind fate must have been with us because the only wet roads encountered were those right in Nyssa. After we left town the roads were completely dry.

We saw many things, had many experiences that will live forever in the memory of those who had an opportunity to take part.

Sincerely yours,
"Mac"

Adrian Eighth Grade Pupil Tells Results Of Recent Balloting

Mike Robb, Adrian eighth grade student in Patrick O'Laughlin's classroom and campaign manager for the "Whigs," has reported results of the students' class officer election held last Friday.

The "Tories" emerged as winners in all races except one. Officer position, student's name, party affiliation and total votes include: president: Timmy Tallman (Torie) 23, Ernest Lewis (Whig) 15; vice president: Carylee Mefford (T) 29, Laura Mackey (W) 7; secretary: Lois Sueell (T) 22, Paula McBride (W) 14; treasurer: Gary Shields (T) 23, Diana Okano (W) 13.

Tommy Holly was the only "Whig" candidate to be put into office and received 19 votes to Torie Burton Burroughs' 17. Steve Krieh was campaign manager for the winning Tories.

Anna D. S. Pratt spoke to the group last Thursday afternoon on the topic of American history and told them of some experiences in her 92 years of living.

When reporting the election results, Mike's voice reflected no downcast feelings because his "Whigs" were not top winners. Like all good politicians, he'll probably be in there again next year campaigning for his favorite "ninth" grade candidates.

ing out. In Romans 7, we read, "For I know that in me dwelleth no good thing; for to will is present with me; but how to perform that which is good I find not. The good that I would, I do not; but the evil which I would not, that I do."

The reason that he would do evil is because sin dwelleth in him. The Bible teaches that man is born with sin and he is inclined to sin before he is inclined to do good.

Romans 5, "By one man sin entered into the world." Every individual who has not confessed that Jesus is the Son of God and has had his sins forgiven, has this sin to do evil present with him.
