### Merchants Breakfast Served By Scouts; Boys Express Thanks

By Virgil Seward, Scoutmaster  
The lads known in this community as the "Lazy S Boys" take this opportunity to thank the Nyssa business men and others who helped to make their "Business Men's Breakfast" a success.

The young men fed 126 area residents last Saturday morning in the Taylor Market building. They were cooks, waiters and greeted each diner with a smile.

This being "Scout Week," the lads decided to do something to show community residents that they are not always looking for a hand-out.

Several liberal donations were made during the breakfast hours and are greatly appreciated.

Among merchants and business firms donating equipment and food items were Eddie Taylor, Idaho Power company, Ideal Gas and Appliance, Howard Myrick of Howard's Texaco station, Associated Service station, Ray's Food Fair. So the boys again say thanks to all who contributed in any way.

This troop No. 450 is sponsored by Albert Seward and sons. There are 23 active members at the

present time. They want area residents to feel free to call on them for help at any time. Members of the troop always try to be loyal to God, their homes, the community and their country.

THIS IS JACK OLSEN, fourth grade student, demonstrating his latest bit of engineering. He is holding a homemade doorbell made of jar lids, magnets, transformer and string. He has known for some time what permanent and electro-magnets will do and the operation of a transformer. It was an easy matter for Jack to construct his door bell. The student is a son of Dr. and Mrs. John W. Olsen.
