## Limited Feed Plan Tried With Hogs For Purpose of Cutting Fat and Costs

Swine producers in some parts of the country are now marketing a leaner hog that better satisfies consumer demand and saves feed bills at the same time through the relatively new approach of limited feeding.

need. The extra energy is trans-

The plaque will be presented to his widow at halftime cere-monies of the fourth annual C of I varsity-alumni football game Saturday evening, Sept. 12, in Canyon Multi - Purpose Stadium. This will be the first football game to be played in the new

Whether the scholarship will be for a single year or a perpetual one will be determined by the total amount of money received for the memorial.

Selders, considered one of the all-time athletic greats at C of I, played four years of football as tackle, was named to the Pacific Northwest All-Conference squad and served as captain. His senior year he was assistant coach for the football team. He was president of the "I" club for C of I lettermen, was also a star on the baseball squad and was president of the Orion fraternity.

#### Manager of Symms Corporation

At time of his death he was manager of the Symms Owyhee corporation. He was a graduate of Wilder high school, married to Hollis Heath in 1940 and served with the Marine Corps from 1941 to 1945. He and his family had resided in Homedale for the past 18 years.

Mr. Selders had served on the Homedale school board for six years, was president of the Idaho Horticultural society in 1962, had been a member of the Owyhee county fair board and a prominent member of the Homedale Presbyterian church. He was also a member of the Caldwell Memorial board and Caldwell lodge No. 1448, BPOE.

The memorial plaque will be hung in the college student union for the present. It is anticipated that it will eventually be placed in the field house upon its com-
