### Mrs. Stam Released From Local Hospital After Extended Stay

Just this past weekend, a member of the Journal staff was asked about the condition of Mrs. Mike (Delores) Stam who was injured on July 16 in a one-car mishap three miles north of Parma.

At that time she was taken to Malheur Memorial hospital suffering with multiple fractures, internal injuries, abrasions and lacerations after her car went out of control on loose gravel and overturned. Her two children, riding with her, were not seriously hurt.

Well, this past Sunday, that same member of the Journal staff went to the Sugar Bowl, and there was Delores, keeping score for her husband's parents, Mr. and Mrs. John Stam.

The young Mrs. Stam was an ardent bowler last season and was seen on the local lanes quite frequently. Even though she is not able to bowl at present, it was a pleasure to see her smiling face in the establishment.

She said she was released from the hospital on Sept. 14 and that the doctors tell her that now it is a matter of getting back her strength. When reminded that "youth" was in her favor, she glanced at her father-in-law and said, "That's what he keeps telling me—but it has been such a long time."

And for Delores, it has been too; she was in the local hospital nearly two long, long months.

Claudine: Turn the golf ball upside down.
