Look to Your Conduct, Hunter!

If the heft of your gun is so pleasant, That hunting's your sport supreme;

If you thrill to the rise of a pheasant, From the brush along the stream; Then, look to your conduct, Hunter.

For a field to work with dog and gun, Is never a right, but a privilege won.

If the call of the goose is alluring, And will rush you off to the blind; If the sport of the hunt is enduring,

And forever is fresh in your mind; Then, look to your conduct, Hunter.

For a pond to shoot with dog and gun, Is never a right, but a privilege won.

If the lure of the woods is inviting, And you'll never deny its call; If the track of the deer is exciting,

And you go for your buck each fall; Then, look to your conduct, Hunter.

For a wood to tramp with your trusty gun, Is never a right, but a privilege won.

With good outdoor manners. —Irv Luiten, Member, Governor's Red Hat Days Committee

VISIT IN REDMOND

Mr. and Mrs. Vic Marshall returned Monday evening after spending the weekend with their son and daughter-in-law, Mr. and Mrs. Jack Marshall and girls at Redmond, Ore.

WORKING WIVES KNOW

... that cake and roll mixes save time, but do you know how much?

Home economists at the U.S. Department of Agriculture discovered that you can save almost half an hour by using a mix for devils food cake or yeast rolls and 20 minutes for a yellow cake. Angel cake mix proved to be less of a time saver than other cake mixes, but will lop off about 10 minutes.

You can cut your biscuit making time in half by using a mix compared with starting from scratch.
