NUMBER 4

Nyssa Matmen Seek New Uniforms

THESE ARE THE 1964-65 NHS varsity wrestling lads and are (front row, left to right) Steven Haney, Connel Petterson, Roger Carter, Ralph Estrada, Newell Cleaver and Ralph Carter. In the back row are Dan Reece, Tom Stringer, Charles Anderson, Steve Petrie, Gene Mason and Orville Anderson. These matmen and the junior varsity squad recently spent a Saturday working to earn funds for new uniforms and netted \$70 for that purpose. Another project now under way is the selling of tickets by the wrestlers, their parents and friends who are working with NHS wrestling coach, Mel Calhoun. Purchasers of the tickets will be admitted to the Feb. 8 bouts

against the Ontario Tigers beginning at 7:30 p.m. in the local gymnasium, and will also have a chance to win one of two door prizes. Winners of an electric blanket or an electric clock need not be present when their names are called. Coach Calhoun has estimated that the uniforms will cost around \$350, and the wrestlers are hoping to have them prior to the March 5-6 district tourney in Nyssa where all Oregon A-2 and B schools east of the Cascades will be participating. Local JV matmen are working with the varsity boys to help raise the uniform funds and will be pictured in next week's issue of the Journal. -Photo by Schoen.

NHS Senior Among Oregon Finalists AHS Honor Students Listed; Three Girls In Betty Crocker Homemaker Contest Earn Perfect Grades

Miss Linda Morrison has been named Nyssa high school's 1965 Betty Crocker Homemaker of Tomorrow and is also among the 10 highest rated girls in the state of Oregon, it has Adrian high school earned perbeen announced by Mrs. Virginia Steffens, NHS homemaking fect 4.0 grade point averages for Sager, Roberta Breshears, Ame- will include vitamin and mineral ed by the LDS church.

The local senior student is a daughter of Mr. and Mrs. Cecil Morrison, Jr. Among her many school activities, she

was a three-year journalism student and served as editor of the NHS Bulldog during the 1963-64 school term. During the summer months, on two occasions, Linda assisted in the front office of the Gate City Journal while regular staff members were on vacation.

Mrs. Steffens told a Journal reporter that Linda received the highest score on a written knowledge and aptitude test given Dec. 1 to NHS girls enrolled in homemaking courses.

Adviser Receives Letter

An item of correspondence dated Jan. 19 was received late last week by Mrs. Steffens from the General Mills main office in Minneapolis, Minn. The letter told of Miss Morrison's rating within the state.

General Mills, Inc., is sponsor of the annual contest, and for her local achievement Linda will receive an award pin.

Examination papers submitted Va., Washington, D.C., and New by the 10 state finalists are now York City. The trip will be clibeing reviewed by science re- maxed with the naming of the search associates and the General Mills letter stated that Miss Mor- Homemaker of Tomorrow.

F. Koch Named Nyssa City Manager At Monday Council Meeting; Replaces Art Colby Who Resigned in December

Civil Engineer From Ft. Collins, Colorado Has Many Years of Experience in Building

Fred Koch, civil engineer of Ft. Collins, Colo., was hired Monday as city manager for Nyssa. The council approved him for the position following a noon interview. Starting Feb. 18 - First publication of salary will be \$700 per month with tenure based on mutual budget summary and hearing no- satisfaction of both parties.

FRED KOCH

Area Scout Leaders

... Professional Civil Engineer

Wayne B. Powers, district exe-

cutive of Ore-Ida council, Boy

of the sponsoring organizations.

Koch (pronounced COOK), 56, came to the states from Germany in 1923 and graduated with a degree in civil engineering from the University of Wisconsin. After college he began work with a contracting engineer firm in Madison, Wis., and has been on large jobs in Philadelphia, Pa. He was assistant project engineer on the construction of Camp Abbott (near Bend, Ore.).

He also served as project engineer for a Pocatello, Idaho, firm on the construction of the Navy hospital at Klamath Falls and the Navy gun plant at Pocatello.

Works in Municipal Construction

Following World War II, he was associated with a Great Falls, Mont., firm as partner and general superintendent until 1954 when he went on his own as contractor. The past six years his primary work has been as a consulting engineer on the design and construction of municipal

He is registered as a professional engineer in Colorado, Montana, Washington and Wisconsin.

Koch is married, has a married daughter in Ft. Collins and a son attending the University of Colorado in Boulder. He and his wife, Amalia (Molly, he says she is called) are members of the Pres-LaNae Hammon, Arleen Okano, versity; and Tom Bunch, range planted on or near the grounds byterian church and he is a member of the Elks and Masons. They will be at home at 503 North Second street as soon as Koch can finish his business in Colorado and get moved. He told a Journal reporter that he expected to be on the job in approximately two weeks and hopes to stay here for 10 years.

An error was made in the final paragraph of a front page Journal story last week concerning date of the Adrian school district bond election.

"The correct date of Feb. 8 appeared earlier in the story in a paragraph which read, "Board members held a special meeting Jan. 15 at which time they approved the increase from \$123,-000 to \$135,000 for the Feb. 8 bond election."

In the final paragraph, an incorrect date of Feb. 28 was given. That paragraph should have read, "A bond election will be held Feb. 8 between the hours of 2 and 8 p.m. in the Adrian elementary school buil-
