Chevy II 100 Station Wagon

big tightwads

Chevy II 100 2-Door Sedan

Chevy II

With aluminized exhausts that discourage corrosion . . . Delcotron generators that encourage longer battery life . . . brakes that adjust themselves . . . rocker panels that flush themselves free of dirt and salt. Tight? They're downright miserly!

You're looking at the lowest priced sedan and station wagon that Chevrolet makes. They neither look nor act their price. They're roomy. The sedan seats six. The wagon has nine feet from the back of the front seat to the tip of the lowered tailgate.

They're good looking. Clean. Functional. You can get an economical 4-cylinder engine in the sedan or in both cars, a 120-hp Hi-Thrift Six that's quick to do everything but cost you money. As we said earlier, these are our lowest priced cars. Try one out today.
