Knife and Fork Club Patrons to Hear Fighter of Russian Encroachment

Guest speaker at the March 8 meeting of Knife and Fork club will be Nicholas Nyaradi, dynamic naturalized citizen on whose head the Russians put a price when he was minister of finance in Hungary.

The Monday meeting will be held at 7:30 p.m. at East Side cafe in Ontario.

Nyaradi defied the Russians again by returning to Europe last summer. He is a large, broad-shouldered doctor and probably the only living man, certainly the only one in America, to beat the Russians out of anything.

According to a news release from the Associated Clubs, Inc., of Topeka, Kan., he talked them out of \$130,000,000 while residing for seven months in the Soviet capital.

The former minister came to the United States in 1948 and has been fighting Russian encroachment policy through articles he has authored for several leading magazines.

He is also author of a book, "My Ringside Seat in Moscow," published in 1952. At present he is professor of economics and director of international studies at Bradley university in Peoria, Ill.

'65 CHEVROLET

These great performers are the lowest priced models at our One-Stop Shopping Center

Top to bottom: Chevy II 100, Corvair 500, Chevelle 300, Chevrolet Biscayne. All 2-door models.

Each of these beauties is the lowest priced in its line. But the ride doesn't show it. Or the interior. Or the performance.

That luxurious Biscayne is as roomy as many expensive cars, has color-keyed interiors, plush vinyls, fine fabrics, full deep-twist carpeting.

Chevelle, America's favorite intermediate-size car, has clean new styling, wide doors, roomy, tasteful interiors and Chevrolet easy-care features.

Chevy II got a lot smarter for '65—but stayed sensible! Still family-size, easy to handle, economical, and the lowest priced Chevrolet you can buy.

Or get a sporty rear-engine hardtop in a Corvair Sport Coupe or Sport Sedan for fun in the months ahead.

Chevrolet, Chevelle and Chevy II are available with the Turbo-Thrift Six for fuel economy, quick warmups, quiet idling. It's light, efficient, smooth and spirited.

Corvair's air-cooled rear-mounted Turbo-Air Six delivers the best balance and traction for this size car.
