FARM SCENE . . .

A small city girl made her first visit to a farm. Left to her own devices for a spell, she came tumbling into the house in great excitement and cried, "Come quick, Mamma! There's a wonderful big pig lying on the ground and seven little pigs are blowing her up!"
 They all laughed when the pianist sat down to play; when they saw how tight his pants were they nearly split.
Young Man—"Dad, what was your great ambition when you were a kid?"
Dad—"To wear long pants. And I've got my wish. If there's anybody in this town that wears his pants longer than I do, I'd like to know who it is."
