

HERE ARE CONTESTANTS

In the Journal Subscription Campaign

Listed are the boys and girls working in the Nyssa Gate City Journal subscription campaign. Today they are alphabetically listed but next week we will have them in the order of their standing.

Each candidate is sure of earning a prize bicycle or a cash commission as there will be one bicycle and four cash commissions for every five contestants.

TO ORGANIZE SORORITY

Former members of Beta Sigma Phi sorority who would be interested in joining an Ontario chapter are asked to contact Mrs. Ron Young at 372-3504 or Mrs. Margaret Staub whose telephone number is 889-8998.

Mrs. Young reports that Ontario has both Exemplar and Ritual of Jewels chapters.

Ontario Rites Held For Former Nyssan Brenda Jo Weymouth

Recitation of the rosary for Brenda Jo Weymouth was held Tuesday evening, Oct. 26, 1965, at Bertelson-Lienkaemper chapel in Ontario and mass was celebrated the following morning at Blessed Sacrament Catholic church, with Father John Baumgartner as celebrant.

The 12-year-old girl was a daughter of Mr. and Mrs. Richard C. Weymouth. Her mother, Joan, was a member of the Nyssa school faculty for several years before moving to Ontario in 1963. Brenda Jo was born July 29, 1953, in Sidney, Neb., and succumbed Saturday at her Ontario home following an extended illness.

In addition to her parents, she is survived by three brothers, Chris, John and Joseph; two sisters, Julie and Barbara, all of the home.

Also surviving are her grandparents, Mrs. Anna Planansky of Chadron, Neb., Mr. and Mrs. Orin Weymouth of Mesa, Ariz.

new STA-RITE submersible PUMP

THIS QUIET WATER SYSTEM INSTALLS IN YOUR WELL . . . NEAREST THING TO CITY WATER SERVICE!

If you're interested in seeing today's newest, most advanced water systems . . . see the new Sta-Rite Submersibles. Whether you're thinking of installing a new water system in that new home, or planning to improve an old one, it will pay you to see this pump.

Easier to install — because the entire pump hooks onto the pipe system, and goes down the well. It's out of sight — and so quiet you never hear it. Now, lower prices, too, in models and sizes to fit your 4" well.
