

Gifts in Memory of Wilda Farmer Being Sent to Children's Hospital

By MRS. HOWARD R. BAIR

Thanks to the many friends of the late Wilda Farmer, there will be numerous thankful children at the LDS Primary Children's hospital in Salt Lake City.

Many area residents called to ask if they could give money to an institution instead of flowers, so the Primary Children's hospital was suggested. The donations are being given to Bishop Bair.

The young patients in the hospital are of all faiths, nationalities and backgrounds. They are thankful for the care of doctors, nurses and others who work to brighten their days.

A large percentage of the more than \$1 million in free care given to needy children from many countries, comes from birthday love pennies and is donated by children of Primaries all over the world.

As one tiny lad, who had been a patient for some time, remarked in his prayer, "I'm thankful for the shots we get to help us get better." A 4-year-old, dark-haired boy who is crippled with cerebral palsy, frequently volunteers the mealtime blessing containing the words, "We ask Thee to help us go home."

When he came to the hospital he couldn't walk, talk nor feed himself—now he can do all three.

What a fitting tribute to the memory of this beloved mother of seven in the Nyssa community!
