Buick's \$1,000,000 Sweepstakes. You may have won \$2332.00 cash!

Table with columns of numbers for Buick's \$1,000,000 Sweepstakes. A new list every week from now until March 31st. 429 first prizes.

If the first part of your car registration number is here, you might be a winner.

Here's how it works. Look at the first symbols (the prefix) on your vehicle identification slip. Then look at the symbols listed above. If you find yours on the list, you've taken the first step toward being a winner. Now go see your Buick dealer. He has a list of 72 winners posted in his showroom. If you see your entire vehicle identification number on the poster—the symbols plus the rest of the numbers—\$2332 cash is yours. (If your prefix isn't listed in this ad, don't give up. Your numbers may have been posted during the past few weeks. And every week there are 72 new winners posted on the showroom wall. So watch for next week's list of new symbols in this newspaper.) No slogan to invent, no puzzles to solve. In fact, you don't even have to own a Buick to have a winning number. While you're in the showroom, get a good look at the Buick Special. The \$2332.00* happens to be its price. *Manufacturer's suggested retail price for Special V-6, 2-dr. coupe. Price includes Federal Excise Tax and suggested dealer delivery and handling charge. Contest Rules. Residents of Kansas, Missouri and Nebraska may, if they prefer, send in a postcard to R. L. Poik and Co., P.O. Box 1347, Detroit, Michigan 48231 and receive the weekly list of winning numbers by mail for comparison with their own vehicle identification number. An official entry form will be included. Sweepstakes limited to persons over 21 living in the continental U.S. Not valid in Florida or states where prohibited by law.
