IN THIS ERA OF MACHINES, another has been added at the Nyssa branch of First National Bank of Oregon. It is a Bell and Howell microfilming "brain" which works on the order of a movie film projector, reflecting the photographed items onto a television-type screen. Pictured with the machine are bank employees (left to right) Mrs. Chet (Vivian) Bowns, Tom Stenkamp and Mrs. Clark (Elaine) Olsen. Stenkamp is assistant cashier and the women are members of the accounting department staff. Bank officials state that the new apparatus is a great asset and protection to both the firm and customers. It provides a permanent record on all checks which are transit items.—Journal Photo.

WEEDS FOR SALE?

VEGETABLES FRUIT
WEEDS 5¢ lb.
Ridiculous!
(That's \$100.00 a ton)
What do they cost in alfalfa?

Eliminate costly weeds with BUTOXONE post-emergence weed killer. Butoxone controls broadleaf weeds—even Canada Thistle, Bindweed and Lambsquarters—in alfalfa and other forage legumes. It allows you to produce more tons of hay from established stands...permits first year stands to yield a good crop of hay the first year! BUTOXONE eliminates need for a nurse crop. BUTOXONE is a wise investment in greater production, greater profit.
