There's a Rumor That a GMC Pickup Costs More Than It Does!

WHAT'S IT BASED ON?

Nothing more than the fact that GMC gives you an exclusive V-6 engine that can take you twice as far as the average engine before major overhaul. Four headlamps, not two. Two walls of steel to protect the cab and you. No drumming or rusting with the husky wood pickup box floor. SEE US while it's on your mind. We'll quote you a price that will stop all that idle talk.
