

Club Women Vote to Erect Cemetery Sign; Donate Land to Adrian School

By Mrs. Wilson Witt

NEWELL HEIGHTS—Members of Modern Pioneer club met April 6 at the home of Mrs. Dudley Kurtz, with Mrs. Sid Hardman as co-hostess. Topic for roll call was "Something About Easter."

Mrs. Hardman and Mrs. Jake Borge reported on the Cancer Drive and a recent luncheon meeting held in Ontario. They stated that the most important phase of the work is educating people about the seven danger signals.

The women reported that 35 percent of the money received is for research and that all workers are volunteers. Dr. Augustus Tanaka was speaker at the meeting.

A sign for the unmarked cemetery near the Farr place was discussed. It was reported that it will contain seven names. A woman had contacted Mrs. Borge to report that her grandfather is buried there and that her club group desires to help with the project.

War Halts Work on Park

Mrs. M. L. Judd reported that her son, M. O. Judd, had received a telephone call from the Bureau of Reclamation in Boise concerning a parcel of land near the Adrian school plant. The bureau had been contacted by school officials about the 3½ acres purchased years ago by Modern Pioneer club members who planned to use the land for a park area. At that time water pipes were laid by the CCC; however, the war began and together with other distractions, the club women turned the land over to the Bureau of Reclamation.

It was voted by the group to give the acreage to the Adrian school and it will be used for park activities.

Mrs. Marie Moore read the Easter story from the Book of Matthew at the April 6 meeting and a duet, "Just a Closer Walk With Thee," was sung by Mmes. Borge and Hardman.

Next meeting of the club will

be at the home of Mrs. Lydia Worden.

Mrs. Marie Moore was a Sunday luncheon guest of the K. I. Petersons in Adrian.

"Fuel for Thought"
—from (DISTRIBUTOR):

Here's a new diesel fuel that can triple fuel filter life.

It's new Chevron Diesel Fuel with an exclusive detergent/dispersant additive. New Chevron Diesel Fuel solves the problem of premature filter plugging. It disperses contaminants so well that particles pass through the finest commercial filters without clogging or settling out to cause injector fouling. The particles are so fine, they cannot possibly harm your engine. Result: The life of your fuel filter can triple, or more. For your supply of new Chevron Diesel Fuel, give us a call now. You'll start saving money immediately.
