LETTER To the Editor

Seeks Information For Rock Hunting

Whittier, Calif. April 3, 1966

Chamber of Commerce Nyssa, Oregon

Dear Sirs:

I understand that Graveyard Point is now closed to public entry and rock collecting. Can you tell me if this is true, and also give any pertinent information.

My family and I have been going to the Nyssa area for the past several years on our vacations, and we would like to express our appreciation for the courteous manner in which we have been received by residents and businessmen alike.

We also greatly appreciate being able to stay overnight in your park.

You have one of the nicest and friendliest towns in the state of Oregon.

Elder S. Lancaster Serves in Taiwan

Mr. and Mrs. Clarence Lancaster recently received word from their son, Elder Sidney Lancaster, notifying them that he had arrived in Taiwan.

Before leaving for China and while waiting for his visa, he studied the Chinese language at Brigham Young university in Provo, Utah.

He went by plane from Salt Lake City to Hong Kong and then to Taiwan where he is serving a mission for the LDS church.

Sidney was graduated from Nyssa high school in 1965 and studied for one term at BYU.

In addition to the other information, would you also please send current rockhound maps.

Sincerely,

W. O. MILLER

(Miller's letter has been turned over to Harry's Rock Shop for a reply. According to Harold Brendle, the availability status of Graveyard Point is being investigated by a Chamber of Commerce committee.)

All Dorcus women are urged to attend the session in the Portia club building located at the corner of Third and Ninth streets. Guest speaker will be Elder D. E. Caslow.

Elder Gray states that he recently received word from Watsonville, Calif., informing him that clothing supplies there are badly depleted and numerous boxes of wearing apparel are needed to replenish empty warehouses.

Mrs. Nora Stark, Parma welfare leader, asks that she be contacted by anyone desiring to donate good used clothing. Area residents may write her or phone Parma 722-5998 and the articles will be picked up.

She states that clothing is needed in the immediate area, as well as items to be sent to disaster areas throughout the United States.
