NYSSA VISITS DAUGHTER ON TRIP TO CHICAGO AREA

Nyssa School Superintendent W. L. McPartland recently attended the 20th annual conference of presidents and executive secretaries of the State Association of School Administrators in Chicago. He was one of two Oregon representatives.

While in the "Windy city," McPartland visited Clyde Swisher, NHS instructor who is attending the University of Chicago on a John Hay fellowship. The Nyssa superintendent stated that he called on Swisher at his residence, International House, and also met other students who are studying on the grant.

McPartland then went to Detroit to see his daughter, Barbara, who graduated April 30 as top student in the field of social work at the University of Michigan in Ann Arbor.

She was elected to Phi Kappa Phi, an honorary society for which students must be in the top five percent of their class in order to qualify. She plans to spend the summer working in a camp for under-privileged children in Detroit.

GROUP EXPRESSES THANKS

Members of the committee for the Methodist annual spring breakfast served Friday and Saturday report the project was a success. Orland Cheldelin served as general chairman for the two-day event.

The group has asked the Journal to express their appreciation to all businessmen and individuals who supported the project.
