

HERE'S A PART OF THE NYSSA AUTO WASHETTE—the newest business in town, owned by Mr. and Mrs. Keith Remington, proprietors and operators of Polar Bear Drive-In. It is located in the 500 block of Main street on the south side. Consisting of four bays, of which part of two are shown, it contains three that are self service for cars, pickups or tractors and one on the east end high and wide enough to accommodate commercial trucks. Eventually one will be converted to fully automatic operation. The Remingtons started construction in March and when completed the washette will have a canopy on the south side to provide shade and better lighting in the drying area. The alley also will be blacktopped. In the forefront above is Mrs. Eloise Remington. —Journal Photo.
