

LAURENCE HANSEN OF NYSSA has been appointed certified shotgun, pistol and rifle instructor by the National Rifle Association of America. The new instructor was selected on the basis of experience and successful completion of an extensive examination. He took the course about a month ago at Camp Cove, Wash. Hansen joins the ranks of selected volunteer instructors throughout the country who donate many hours in the NRA small arms education program, which has been in operation since 1876. Now qualified to conduct classes in basic marksmanship and safe gun handling, Hansen told a Journal reporter that he will be available as a hunter safety instructor for area youths.—Journal Photo.

**FIREMEN HOLD PICNIC**

The Nyssa Volunteer Fire department's annual picnic was held Monday evening on the city hall lawn. Nyssa firemen, members of their families and city officials attended the event.

**PACK INTO WILDERNESS**

Mr. and Mrs. Owen Froerer and children, and his brother, Ronnie Froerer of Vale, returned home Sunday from a pack excursion into the wilderness country of northeastern Oregon. They report seeing some beautiful country, lovely wild flowers and numerous friendly deer. They are of the opinion that everyone should make the trip.

**Corn Catches Minnows**

Best minnow bait of all is corn on the cob . . . off the cob, rather. Soak kernels for three or four days then put in trap. Minnows flock to it.
