

**LDS Girls of Nyssa Stake Return From 'Pinetop in Orbit' Camp Session**

Nyssa stake LDS Girls' camp activities ended July 28 after four days at Pinetop near Idaho City. Theme for this year's session was "Pinetop in Orbit."

Activities began with 6:30 a.m. Monday registration for 150 girls. A special campfire program was held in the amphitheater that evening when stories were related by Spacewomen Iona Flinders, Charlene Putnam, Peggy Moore and Lorinda Baker.

On Tuesday evening an MIA meeting was held with each of the seven wards presenting an original song and skit. Girls of Ontario Second ward, under direction of Charlene Putnam, were winners of the song award, with the Vale group taking honors in skit competition. They were led by Mrs. Iris Barlow and Myrtle Hammer.

**Various Awards Presented**

A testimony meeting was held under the stars Wednesday evening with Lorinda Baker of Ontario receiving an award as outstanding camper.

Lora Jo Stoker of Owyhee ward was voted the friendliest girl and Nyssa First ward was presented the most coveted award, that of "Outstanding Ward of Campers."

**Thunderegg Days Slated This Weekend**

(Continued From Page 1) conducted tour will lead to the agate fields where embedded limbs are found.

The Snake River Gem club exhibit, with trading tables, will be open to the public in the gym at 10 a.m. daily—no dealers permitted.

**Little League Game Planned**

A Little League baseball game between the Nyssa Little League Majors and an all-star team from neighboring towns will be played in the south park at 8:30 p.m. Thursday.

This will be near where most of the visitors are parked and will enable their viewing "free" without calling for vehicle moving.

**Breakfasts to Be Served**

While most rockhounds are self-sufficient and carry what they need on hunting treks, Nyssa Junior Chamber of Commerce members are serving breakfast from 6 to 9:30 a.m. both Thursday and Friday at south park for those who might like a respite from their own cooking.

Despite unfavorable weather conditions that will cut down the number attending Nyssa's First Annual Thunderegg Days, it is a "cinch" that those in attendance will be impressed with the local hospitality and give the town much favorable publicity that will rebound for years to come.

And, rockhounds, please remember that this is all free as far as charges are concerned—no registration fees—no fee for demonstrating your gems. You spend only what you choose!

Mrs. Jay Gibson was presented with an award as outstanding space cook; and appreciation was expressed to Mrs. Irvin Durfee, assistant cook, and Mrs. Snoden Roberts, camp nurse.

A feature of this year's camp was the 36 junior counselors who were working on their third year of camp crafter (inspirator) program. These girls assisted in teaching all of the 13 requirements of both the Yearling and Mountaineer programs.

**Third Year for Program**

This is the third year of the camp crafter program in Nyssa stake. Forty-nine girls were involved in the Yearling program with approximately 45 working on completion of the Mountaineer division.

Rebecca Bates was camp sports director. She, with MIA Stake President Mrs. Frank Skeen, Counselors Mrs. Darwin Jensen and Mrs. Mel Beck, made up the executive committee. Others assisting were Mrs. Carol Kennington and Mrs. Joy Montgomery.

Camp activities included swimming, hiking, crafts and games. The camp crafter program entails first aid, outdoor cooking, nature, four types of fire building, knife usage, bedroll care, lashing, maintaining and erecting wood-piles—and especially learning the joy of just being out-of-doors.
