PENDLETON VISITORS

Mr. and Mrs. Jerry Myrick and Vicki of Pendleton arrived Friday for a week's visit with their par-

ents, Mr. and Mrs. Howard Myrick and family, Mr. and Mrs. Dick W. Tensen. They also went pheasant hunting.

THESE PICTURES WERE SNAPPED in a field at Shigeno farms northwest of Nyssa during the recent onion harvest. A visit to the Journal office by the late Kenneth Renstrom took a photographer to the location. Upon entering the office, Renstrom said, "During my 44 years in this valley, I have never seen anything

like it." That particular day there were an estimated 20 workers and members of their families in one small field. They are not clearly visible but many of their vehicles are seen. Pictorial results of the onion harvest are clearly the closeness of the filled burlap sacks.

ESTIMATE OF FINANCIAL EFFECTS: This amendment to Article XI-F (1) and repeal of Article XI-G would reduce the bonding limit for Higher Education and community college building projects from \$134,750,000 to \$104,750,000. It would also remove the present \$5,000,000 limitation on indebtedness for community colleges within the total bonding capacity.
