OT Grangers Conduct Memorial Services For Deceased Master

A regular meeting of Oregon Trail Grange was held last Thursday evening with Loyd Adams as acting master.

The charter was draped and services conducted in memory of Tom Jones who was serving as master at time of his death. In a tribute to the deceased, Adams noted his leadership qualities, willingness to help others and kindnesses which he extended to his fellowmen. Adams stated the Grange was fortunate to have had him as a leader and he would be greatly missed by all.

During the business session, Mr. and Mrs. Ernie Metcalf became members of the organization and those in attendance voted to purchase new furniture for Grange use.

Installation of officers will be held during the Nov. 3 meeting at Oregon Trail hall. Paulina Ross will serve as installing officer. Those planning to attend the session are asked to take sandwiches, cake or salad.

Area Women Sustain Minor Injuries In Recent Mishap Demolishing Autos

Mrs. Thurman Hill of the Apple Valley area and her mother, Mrs. Loyd Adams of route 1, Nyssa, are well aware of the fact that "conditions could be much worse."

On Monday, Oct. 17, they were enroute to Nampa, with Mrs. Hill at the wheel of her car. They had just driven through a cloud of smoke drifting across the road.

Upon being stopped and warned of even more dense smoke ahead, the Hill car was struck from the rear by an auto driven by Mrs. Eldredge of Florence, Ore.

No Serious Injuries

Both vehicles were severely damaged; however, none of the occupants were badly hurt. Repair cost to the Hill auto was estimated at $1,100, so the vehicle was not worth fixing. The other car was also a near-total loss.

Mrs. Hill sustained some neck injuries, due to the whiplash; and Mrs. Adams suffered slight injuries in the rib section.

The latter said when they saw another oncoming car, they were afraid of being hit and both jumped an irrigation ditch.

When they returned to cross the ravine in the opposite direction, they wondered how they ever managed to jump across it the first time without landing in the middle, because it appeared that it "just couldn't be done."

TWO CITATIONS ISSUED FOLLOWING COLLISION

According to Oregon State police, two citations were issued Monday morning for traffic infractions following a two-vehicle accident about one mile north of Nyssa.

Officials reported that Douglas Williamson of Vale was attempting to pass two cars when Nyssan Irvin Lawson turned in front of his auto. Williamson was cited for improper passing at an intersection and Lawson for failure to signal a lefthand turn.

Williamson's vehicle was extensively damaged, while the Lawson car received minor damage. Mrs. Lawson was given emergency treatment at Malheur Memorial hospital and released.
