

Poison Topic Discussed at Recent Women's Meeting in Allison Home

By Mabelle McKague

NU ACRES—Regular meeting of the Farmerette club was held Oct. 19 at the home of Mrs. Ted Allison, who was assisted by Doris Keck, Leona Bryan and Mabelle McKague.

After the business session, a demonstration and talk about poisons was given by Margaret Jorgenson, Payette county extension agent.

Several Pollyanna gifts were distributed; a white elephant gift, won by Mabelle McKague, was auctioned to the highest bidder, Mrs. Ezada Betts. The money went into the sunshine fund. Refreshments were served to eight members and one guest.

Mr. and Mrs. Albert Ulmer, who have been visiting at the M. A. Jones home, left Saturday morning to return to their home at Havre, Mont. Mrs. Ulmer and Mrs. Jones are sisters.

Patient Shows Improvement

Word was recently received in this community regarding the condition of Mrs. Zelda Dalley, who underwent surgery at Caldwell Memorial hospital. She is reported to be getting along as well as can be expected and has shown some improvement. She will be confined to the hospital for another week or 10 days.

Naturalgasatisfaction

Claims! Claims! Claims! It must be confusing to the average homeowner who wants adequate heat at a reasonable price. We emphasize adequate because some forms of energy perform heating tasks better than others. Natural gas heat, for example, reaches to every corner of every room. It is vented heat, and for this reason is fresh-air-circulated heat, bringing into your home healthful, comfortable warmth... warmth that is constantly changed as stale air is dispelled; new, fresh air brought in for a perfect

mixture with the instant heat of clean, dependable, economical natural gas. When cost comparisons are made with other fuels, we suggest that you make sure other forms of energy are delivering the same satisfactory heat that natural gas provides. Whatever you pay, you should—first of all—have proper heat. Check your neighbors. You'll find the best-heated homes are owned by economy-wise folks who know the value of naturalgasatisfaction.

GAS makes the big difference

Dissatisfied with your present heat? If you are a qualified homeowner, Cascade will convert your heating system, either furnace or space heaters, for only \$2 a month, added to your regular gas bill October through May. We furnish all equipment. Service, if ever needed, is free. Ask for details.
