

# Elver Niensens Witness Salmon Run At Head of Adams River in Canada

By Freda Astoreca

SUNSET VALLEY — Mr. and Mrs. Elver Nielsen left Oct. 15 for a 12-day vacation trip. They drove to Pendleton where they visited a son, the Gary Nielsen family and met friends, Mr. and Mrs. Vernon Burnett, who left with them Sunday morning for Seattle.

They visited the Space Needle, rode the Monorail and on Monday morning left for British Columbia. They toured Vancouver and remained there that night and the following day.

Tuesday night they boarded the Northernland Prince, a passenger freighter. They were on the boat three nights and two days, embarked at Prince Rupert with their car, drove to Prince George and to other Canadian points.

### See Isolated Villages

There were 57 passengers aboard the boat as they sailed the inland passage to Prince Rupert. They report seeing many small villages along the route which could be reached only by boat or plane.

The travelers went to Kamlopp and on to the head of Adams river where they watched the salmon run. It is said to be the largest in the world and the Niensens say the river looked as red as blood where the red salmon were so numerous.

The foursome returned to the states near Penticton and then traveled on to Pendleton where the Niensens were dinner guests of her sister, the Doyn Price family, and overnight guests of the Gary Niensens. Enroute home they stopped at Haines where they toured the museum.
