Miss Bonnie Howard Undergoes Surgery At Shriners Hospital

Miss Bonnie Howard, 14-year-old daughter of Mr. and Mrs. Harvey Howard, was admitted last week to the Shriners' hospital in Salt Lake City.

The Nyssa eighth grade student was accompanied to Utah by her mother and underwent hip surgery yesterday.

In July this year, the family discovered that Bonnie was having trouble walking. In contacting Dr. K. E. Kerby, the Howard's family physician, a Journal reporter learned that the young lady's trouble was that the head of one of her hip bones had slipped at the growth section.

Since the opening of the 1966-67 school term, Bonnie has received private instructions in her home under auspices of the Nyssa school. Her teacher has been Mrs. Grant Rinehart.

During a telephone call to Bonnie's father, just before noon Wednesday, her mother, Ruth Howard, stated that their daughter had come through the operation in fine shape, and it will be from a week to 10 days before she can return home.

So that Bonnie's friends may write her, the Journal publishers are printing her address: Miss Bonnie Howard, Shriners' Hospital, 1275 Fairfax Avenue, Salt Lake City, Utah 84103.
