The Nyssa Gate City Journal Nyssa, Oregon

Dear Friends:
On behalf of the UNICEF committee members and all who worked with them, I take this opportunity to thank you for valuable help given in publicizing our 1966 "Trick or Treat for UNICEF" campaign.

We do appreciate the placement of advance news articles and cartoon advertisements. They were most valuable in getting our message across to the community.

The fact that we had an increase in total donations for the eighth consecutive year, is due in large part to your fine cooperation.

Sincerely yours,
