Payette County Extension Group Plans Activities

By Mabelle McKague

NU ACRES — A meeting of the Payette County Homemakers' council was held Jan. 10 at the home of Mrs. Ernest O'Leary near Fruitland. Homemakers of that area were hostesses for the meeting.

A motion carried that the group pay the janitor and his wife for cleaning the New Plymouth hall prior to the Christmas carnival. It was announced that this year's dues for all clubs should be paid prior to March 18.

It was also announced that an executive board meeting will be held March 7, and a discussion was held on the probability of getting other clubs into extension work. It was reported that the HOA club of Little Willow Creek is being reorganized and inquiry has been received about the group joining the service.

Members of the council voted to hold "A Penny for Friendship Drive" again this year.

Prior to adjournment, new officers were installed. They are Mrs. Eleanora Stroud, president;

LETTERS To the Editor

January 20, 1967

Dear Brammers:

Another year has passed, and again I wish to express my appreciation and that of the congregation for the excellent way in which you have carried our news items in the Journal.

We pray that you may have a happy 1967. May God bless you every day!

Sincerely in Christ,
Wallace M. Prowell
Pastor, Nyssa First Christian Church

Milton-Freewater, Ore.

To the Nurses and All Other Members of the Staff At Malheur Memorial Hospital:

We wish to express our deepest gratitude for the excellent care given our loved one while in your hospital.

Residents of your area can be most proud of the hospital there. I have been in several during my lifetime, but have yet to find one where I have been treated with such kindness and consideration.

Every nurse on duty reflected those admirable qualities. I'll never forget them, nor the town of Nyssa.

Very sincerely,
Mrs. Elizabeth Hermann
and Family.

(This note of appreciation was submitted for publication by Hospital Administrator Pheral Dodson, upon approval of Mrs. Hermann's daughter, Mrs. Bob Kennedy of Nyssa. Mrs. Hermann and her husband, Walter, were spending the recent holidays with their daughter's family in Nyssa when he suffered a sudden stroke and succumbed two days later at the local hospital.)

ger Watts, Marvin Bowers and Vernon Parker helped Lori Harrison celebrate her second birthday anniversary Saturday evening. The group met in the home of Lori's parents, the Veryl Harrisons, after the basketball game.

Mr. and Mrs. K. I. Peterson, Mr. and Mrs. Francis Deffer were Sunday evening dinner guests of Mr. and Mrs. Mervil Hutchinson and daughters in Nyssa. The occasion honored K. I. Peterson's birthday anniversary.

Visitor in Brown Home

Jerry Hudson, Mr. and Mrs. Jim Moncar of Boise visited Sunday with Mr. and Mrs. Glen Brown.

Mrs. Mary Hatt visited Sunday afternoon with her sister, Mr. and Mrs. Vernon Parker.

Mr. and Mrs. Cash Turner of Star were Tuesday evening dinner guests of her cousins, Mr. and Mrs. E. M. Mackey.

K. I. Peterson attended a Sunday afternoon meeting of the Presbyterian nursing home board of directors in Ontario.

Soil Fertility Center

NOW OPEN To Serve YOU!

Ontario

The new United States Steel Farm Service Center in Ontario is now ready to serve you. It brings you the latest innovations in fertilization practices, equipment and services. Here are some of them:

NEW Soil Fertility Services: "Program That Pays" planning assistance helps farmers achieve bigger yields and higher profits. The new USS Farm Service Center is staffed by qualified Soil Fertility Specialists, professionally trained and backed by U.S. Steel agronomists and technicians. They use an aerial photograph of your farm to help plan the best possible soil fertility program for you. And they provide highest quality dry fertilizers and USS Anhydrous Ammonia, the most concentrated nitrogen fertilizer you can buy.

NEW Blending Equipment especially designed to assure uniform mixing of bulk fertilizers and micronutrients to the specifications best suited to your individual needs.

NEW Bulk Spreader Trucks assure even, efficient custom application. The spreaders are calibrated and the hydraulic spinners checked

with a tachometer before every application.

NEW Pull-Type Spreaders, equipped with electrical brakes and lights for extra safety, are available to the farmer who prefers this type of application.

NEW Motorized Bulk Bins specially designed for fast, efficient use by farmers.

NEW Flotation Tires on both spreader trucks and pull-type spreaders. These extra-wide, low-pressure flotation tires reduce harmful soil compaction.

Many other Extra Measure Services: direct two way radio communication between plant and field; tissue testing; soil testing; weighing ammonia tanks in the field before and after application... these are just a few of the features offered by the new USS Farm Service Center as a part of Extra Measure Service.

Come in and learn about all the valuable benefits of Extra Measure Service offered exclusively by your Soil Fertility Specialists and now available at the new United States Steel Farm Service Center in Ontario.
