claim contrary to or in conflict with said limitations or restrictions.

Section 4 provides, generally, that unpatented mining claims located after July 23, 1955 shall not be used for purposes other than prospecting, mining, or processing operations, or uses reasonably incident thereto; that such claims will be subject to the right of the United States to manage and dispose of the vegetative surface resources thereof, and to manage other surface resources thereof; and that, except to the extent required for mining operations and uses reasonably incident thereto or to provide clearance for such operations or uses, claimants of such claims shall not use or dispose of vegetative or other surface resources thereof; and that, except for clearance for such purposes, any permitted severance or removal of timber must be in accordance with sound principles of forest management.

Said section 4 also provides that any use of the surface of any such mining claim by the United States, its permittees or licensees, shall be such as not to endanger or materially interfere with the prospecting, mining, processing or reasonably incident uses by the mining claimant.

The date of first publication of this Notice shall be Feb. 2, 1967.

conflict with the limitations or restrictions specified in section 4 of said act, as to the above-described lands or any part thereof, shall fall to file in the Land Office of the Bureau of Land Management at 729 N. E. Oregon Street, P. O. Box 2965, Portland, Oregon 97208, and within 150 days from the below-stated date of first publication of this Notice, a verified statement which shall set forth as to such mining claims:

(1) The date of location,
(2) The book and page of recordation of the Notice or certificate of location;
(3) The section or sections of the public land surveys which embrace such mining claims; or if such lands are unsurveyed either the section or sections which would probably embrace such mining claims when the public land surveys are extended to such lands or a tie by courses and distances to an approved United States mineral monument;
(4) Whether such claimant is a locator or purchaser under such location; and
(5) The name and address of such claimant and names and addresses so far as known to the claimant of any other person or persons claiming any interest or interests in or under such unpatented mining claim;

Such failure shall be conclusively deemed (1) to constitute a waiver and relinquishment by such mining claimant to any right, title, or interest under such mining claim contrary to or in conflict with the limitations or restrictions specified in section 4 of the act of July 23, 1955 (69 Stat. 367), as to unpatented claims located after that date, and (2) to constitute a consent by such mining claimant that such unpatented mining claim shall and restrictions, and (3) to preclude thereafter, prior to issuance of patent, any assertion by such mining claimant of any right or title to or interest in or under such mining claim.

NOTICE OF SCHOOL ELECTION

Upon Question of Increasing Tax Levy Over Amount Limited by Section 11, Article XI, State Constitution

NOTICE IS HEREBY GIVEN that an election will be held in School District No. 61, Malheur County, State of Oregon, from 2 p.m. to 8 p.m. on Monday, April 10, 1967, at Adrian Grade School Cafeteria in said school district, for the purpose of submitting to the legal voters of said district the question of increasing the tax levy for the fiscal year 1967 - 1968 over the amount limited by section 11, article XI, of the Constitution of Oregon.

The reasons for increasing such levy are:

The District has no tax base; money needed to operate school. The amount of tax, in excess of the 6% limitation, proposed to be levied for said fiscal year is \$194,306.00.

Dated this 16th day of March, 1967
