

Idaho-Utah Secretaries Hold Annual Meeting

Members of the Utah-Idaho Division of National Secretaries Association (International) held their eleventh annual meeting May 20 at the Moore hotel in Ontario. Fifty-four secretaries, representing the eight chapters in the division, were registered May 19 when the conference began.

Mrs. Michael Stover, a secretary at Twin Falls, was re-elected president of the group. Also re-elected, but unable to be present, was Mrs. Edward Adler, division treasurer, who is a secretary in Caldwell. Mrs. Gene Grasty, secretary at TVCC, is the new vice president, and Mrs. S. J. Faden, secretary in Pocatello, will serve as secretary of the division. Mrs. Lucille Randolph, a secretary in Caldwell, was installing officer.

A banquet, planned by Mrs. Stan Bybee, a secretary in Ontario and Mrs. Allan Rainsberry, a secretary in Ontario, preceded the installation of officers. Entertainment during the banquet was provided by magician Rolf Usenko of Nyssa, and vocal soloist, Mrs. Mark McCarroll, who was accompanied by Mrs. Thomas Watts of Payette.

Dr. J. T. Burdic of Ontario was guest speaker at the noon luncheon. Dr. Burdic stressed the importance of making a child, or any person, realize that he is a worthwhile human being and as such he will not always make the right decision, but when he makes a wrong decision the world does not come to an end. The feeling of being worthwhile will make him learn from his mistakes and he will be able to go ahead and make better decisions, the speaker reported.

Following the luncheon, hair stylist Mary Good of Payette demonstrated hair fashions, using a hair piece which was one of the prizes won by secretaries attending the division meeting. She was introduced by Mrs. Patsy Emmons, a secretary in Ontario.

Mrs. Harry Rogers was general chairman of the division meeting, which ended May 27 with a farewell breakfast at the Moore hotel. Mrs. John Croner was publicity chairman for the annual meeting.

Visit In Portland

NEWELL HEIGHTS — Mr. and Mrs. M. L. Kurtz returned home last Thursday from a two-week trip to Portland. They were accompanied by Mrs. Marie Moore.

Grange Reporter Tells Views On Road Funds

Members of Oregon Trail Grange #687 met last Thursday evening, with Master pro-tem Loyd Adams presiding.

State Deputy Robert Coble of Richland was escorted to the Master's station by Stewards James Stephen, Mr. and Mrs. Ernie Metcalf.

Reports were given by Legislative Chairman Frank Sherwood and Orland Cheldelin in regard to proposed tax relief measures and to the distribution of the gas tax funds. The Grange went on record as being opposed to the distribution of road fund money as proposed by Judge Ellis White and his committee. The members stated that they feel this allocation is unfair and that it is a robbery of funds belonging to districts which have paid a special tax to build and maintain roads within their own districts.

Those honored with the birthday song were Mrs. Orland Cheldelin, Mr. and Mrs. Harold Sisson.

Lecturer Lois Boenig conducted a quiz about well-known fathers. Prize for the youngest father went to Stanley Sisson. Deputy Coble received the prize as the oldest father.

Home Economics Chairman Orma Cleaver reminded the members of the Father's Day pot luck dinner to be held at 1 p.m., Sunday, June 11 in the Grange hall. Members are

urged to bring friends. Deputy Coble suggested that all persons carry an official record of his blood type as a safeguard in case of an accident.

Lunch was served to 28 members by Mr. and Mrs. Orland Cheldelin. Next meeting will be Thursday, June 15 in the hall.

Cygon* 267 insecticide has been an outstanding performer against the tough insects on vegetable and field crops.

Now, recent registrations have added several important crops to the list. And — shorter allowable intervals between application and harvest now make it so practical for season-long use.

Remember, Cygon gives you more effective insect control because it kills by both contact and systemic action. It gives high initial kill; then continues to work week after week as a systemic protector within the foliage. Because of its

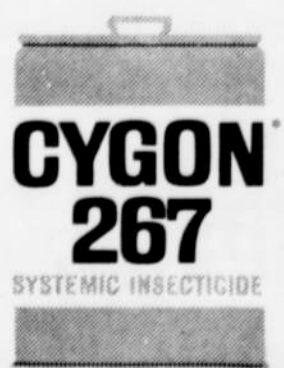

unique action, Cygon is not subject to "weathering" that shortens the effective period of other insecticides.

Economical, too! Because Cygon has long-lasting activity, a little goes a long way. It is also low in hazard to man and animals. No protective equipment is needed. And — when used according to directions, there are no residue problems.

Review the chart and plan now to put Cygon to work in your insect control program.

Contact your local supplier and phone your order for Cygon today.

Before using any pesticide, stop and read the label.
