**NO CHANGE in**  
**Low Gas Rates**  
**in Ontario-Nyssa**

Cascade Natural Gas Corporation will NOT raise its rates in Ontario or Nyssa.

Some confusion has arisen because an Idaho natural gas distributor, Intermountain Natural Gas Company, has applied to the Idaho Public Utilities Commission for a rate increase.

There is no corporate connection between Cascade Natural Gas Corporation and Intermountain Gas Company. Regardless of what action may be taken on the Idaho company's petition for a higher rate, Cascade's customers in Ontario and Nyssa, Oregon, will not be affected.

We repeat emphatically: natural gas rates will NOT be raised in Ontario and Nyssa.

Our customers and prospective customers in Eastern Oregon may make their plans well into the future, secure in the knowledge that the already low natural gas rates here will remain at their present level.

O. M. JONES, President
