It's In Color!!!

"The latest piece of mail to come across the desk has been a new government publication 'Catalog of Federal Assistance Programs'. And don't let the name mislead you, that is just what it is and it is no small pamphlet either. It is almost identical in size to the latest Sears Roebuck catalog. . . This new offering . . . has a nice color cover as well as different colored pages, apparently an attempt to make all the give-aways more palatable to the taxpayers." — Faith, S. D., Independent.
