JUNIUS TANNER

Major Tanner, son of Mr. and Mrs. R. G. Tanner, is taking advanced training at Huey Cobra helicopter school in Savannah, Ga.

He plans to graduate April 24 as a qualified helicopter instructor. He will then fly to Texas for his wife and daughter and they will come to Nyssa for a visit with his family.

The first week in June he will leave for a second tour of duty in Vietnam.

RICHARD J. McEWEN

Marine Private McEwen was recently graduated from eight weeks of recruit training in San Diego, according to a Marine Corps news release. He is a son of Orville McEwen of route 1, Nyssa. He will now undergo from two to four weeks of individual combat training and then, after leave at home, will report to his first Marine Corps assignment. The intensified training emphasizes rigid physical conditioning and survival techniques, both at sea and ashore, to develop self-confidence and endurance. Marksmanship with the M-14 rifle and 45-caliber pistol are equally stressed, and close order drill instills the traditions of teamwork. A thorough study of basic military subjects, hygiene, first aid and sanitation, and the customs, courtesies, history and mission of the Marine Corps serve to polish the new recruit's education and prepare him to join the Marine combat forces.
