WORK SMARTER - NOT HARDER

NEW MOTHERS, HERE'S A WORK SMARTER TIP from Mrs. Roberta Frasier, Oregon State University Extension family life specialist.

Place baby's bathtub in the family tub, and he will have bathtime fun without any extra work for you. He can splash to his heart's content. For you, no heavy lifting will be required to fill and empty the small tub.

A washable, rubber shower mat placed beneath the junior tub will serve as an anchor to keep it from sliding.
