

### AVIATION OFFICER TO SPEAK AT KNIFE AND FORK MEETING

**DR. JOHN FURBAY . . . World Traveler**

He will be guest speaker at the Thursday, Sept. 12 meeting of the Knife and Fork club. The dinner-session is slated to begin at 7:30 p. m. at East Side cafe in Ontario. Dr. Furbay, an aviation top officer and a man who has traveled more of the world than all of the explorers of history combined, brings the diverse and confusing elements of the modern world into a clear and forceful picture. His global air-commuting gives him the rarest opportunities to see the rapidly developing pattern of a new world picture. So it is the exciting story of the wondrous world of tomorrow with up-to-the-minute observations of the new life that is being born. Throughout the globe, from Morocco to Hong Kong, from the Arctic to the Antarctic, new countries are developing, new trade routes are being established, new civilizations are rising with new concepts of human relations which must match the scientific developments of tomorrow and the new age. Knife and Fork club patrons are urged to hear a thrilling, moving, modern story by a learned man (and one of the nation's best speakers) who has been watching it all from every conceivable corner of the world. Dr. Furbay has been around the world 29 times, has his own radio program, "It's A Great World" and is director of Air World Education in 38 countries for TWA. Membership cards must be presented to purchase Knife and Fork club dinner tickets and all reservations are made through the secretary or by card. The phone number to call is 889-5141. There will be seven meetings this season. Only one dinner ticket can be purchased with each membership card.

**DR. AND MRS. DENIS LYNN FORBESS**

Miss Ella Susan Liptak became the bride of Dr. Denis Lynn Forbess at 3 o'clock on Saturday afternoon, August 3, 1968 in St. Elizabeth's Catholic church at Portland.

Father Alfred Williams officiated, and was assisted by Jon Rouse, the bride's nephew. Altar bouquets were fashioned from pink gladioli, blue and yellow chrysanthemums, baby breath and daisies.

The bride was given in marriage by her brother-in-law, Garth T. Rouse of Turner, Ore. She had made her home with her brother-in-law and sister since an early age, following the death of her parents. Parents of the bridegroom are Mr. and Mrs. Richard A. Forbess of Nyssa.

For her wedding ceremony, Miss Liptak was attired in a cage-style gown of lace on lace silhouette, fashioned with

empire bodice and chapel length Watteau train. Her veil, which was previously worn by her sister, Lois, was shoulder-length and was secured to a tiara of pearls, with crystal points. Her bouquet of daisies and baby breath was centered with a white orchid.

Attending as matron of honor and bridesmaid were Mrs. Lois Hockett and Rene Rouse, sister and niece of the bride. They wore identical floor-length dresses, fashioned with deep-green bodices and moss-green skirts. Each wore a green tulle headpiece, held by a rose, and carried a single long-stemmed yellow rose.

man for his brother. Another brother, Richard E. Forbess of Corvallis was usher.

For her sister's wedding, Mrs. Rouse wore a dress of beige linen, with matching accessories. The bridegroom's mother was attired in a light-green linen dress, trimmed with lace, and each wore a corsage of white orchids.

A reception was held, following the ceremony, in the church social hall. A three-tier cake, was encircled by baby breath, similar to the bridal bouquet; and was served by Patricia and Carmella Forbess, sisters-in-law of the bridegroom.

The new Mrs. Forbess, a graduate of Turner elementary school and Cascade Union high school, studied two years of pre-nursing at the University of Oregon in Eugene. She received her BS in nursing from the U of O Nursing School in Portland. She is now a registered nurse of Oregon and is employed at the out-patient clinic's pediatric department in Portland.

Her husband received his BA in chemistry at U of O, and his PhD in chemistry from Stanford university. He presently is employed as a research chemist by Crown Zellerbach company in Camas, Wash.

After a honeymoon trip to Canada, the newlyweds are now making their home in Vancouver, Wash.
