## Trojans Down Antelopes 27-6

A strong ground game by Homedale's relentless Trojan football team proved too much for the hustling Adrian Antelopes Friday evening. Homedale hammered out a 27-6 non-

league grid win over Adrian. The victory was Homedale's third consecutive win, while the Antelopes' record is 1-1. Ruben Garcia, workhorse for the Trojans, scored one touchdown and booted three conversions. Homedale's Dale Dickson scored two touchdowns, the first on a 16-yard run. George Gonzales, Adrian, then returned the

kickoff 85 yards to score the Antelopes' only tally.

The Antelopes will travel to Parma Friday evening, Sept. 27 to tangle with the neighboring Panthers. Game time is 8 P.M.

## Vikings Crush Bulldogs 33 - 7

Exploding in the first-half for three touchdowns, the Vale Vikings crushed the NHS Bulldogs 33-7 Friday evening, Sept.

20, on the Nyssa field. Curt Adams scored three touchdowns for Vale, all inside the five-yard line, while Dick Vilsmeyer chalked up two more for the winning team. Nyssa's lone touchdown was set up in the fourth-period when NHS Quarterback Craig Lewis connected on a 44-yard pass completion to Right End Dave Danford. This moved Nyssa to Vale's eight-yard stripe, and

four plays later Lewis plunged over for paydirt. Larry Wilson added the extra point. Statistically, Vale gained 339 yards by crushing, while Nyssa picked up only 41 yards on the ground. In the air Nyssa showed an improvement by chalking up 140 yards, 96 of which were Lewis-Beck completions, while Vale was just a step ahead with 184. The Vikings were penalized 50 yards, and the Bulldogs had

70 yards against them. The victory was the Vikings' first against one loss, overall. Nyssa is 0-2-1 for the 1968 season. This was the first league game for both squads.

On Friday evening, Sept. 27 the NHS lads will host the Tigers from Ontario. Starting time for the varsity contest is 8 o'clock. - Jim Beck, NHS Bulldog Staff.

## 4-H CLUB NEWS

**HAPPY HEALTHY HEALTH CLUB**  
Students in Mrs. Hazel Lane's sixth-grade classroom organized their 4-H club recently.

Kathy Ward was elected president, Marlene Widmer, secretary and Susan Bone, reporter. 4-H books were distributed to all members of the health club which the students decided to call "The Happy Healthy Health Club." Each one present drew a picture of members of his or her family, colored and named them. - Susan Bone, reporter.

"BLUE AUTUMN" WAS THEME of the 1968-69 NHS football homecoming event staged Sept. 20 when the Bulldogs were hosts to the Vikings from Vale. Silver leaves on a background of blue, were used to carry out the "fall" motif. Miss Susan Hartley sang the theme song, "Blue Autumn", after which members of the royal court and their escorts waltzed onto the dance floor. Music for the evening was provided by "The Suns" from Caldwell.

In this photo are the young ladies who were selected to reign during the annual social event. They are (l to r) Freshman Princess Lora Bair and her father, Cecil Bair; Queen Sylvia Endara, NHS senior and AFS exchange student from Ecuador, and her American father, Mark Hartley; Sophomore Princess Nancy Wilson and an uncle, Frank Wilson; Junior Princess Marty Somers and her father, Don Somers. - NHS Bulldog photo.

### Circles World

NEWELL HEIGHTS - Alan Fahrenbruch arrived at his home near Adrian Sept. 3 after having driven from New York City. He left San Francisco on Dec. 3, 1967 by plane to meet Arlon Hunt, a Peace Corpsman, in Kuala Lumpur, Malaysia. They traveled through Southern Asia by various methods of transportation and also joined a group of four Peace Corpsmen who had completed terms in Asia. The group then went for a 12-day hike through Northern India and Nepal. After arriving in Athens, Greece via plane from Beirut, Alan and Arlon traveled by train to Berlin where they picked up a car to tour Europe. When they arrived in London, Arlon stayed for three days, then flew to the United States to visit relatives and to be in Tucson, Ariz., on Sept. 3 to enroll in a college there. Fahrenbruch remained in the British Isles for three weeks, then flew to New York where he picked up the car which had arrived by boat. After a week's visit at his home, he drove back to the San Francisco area, completing his circle of the world.

### ORE-IDA STARTS CONSUMER TESTING

Ore-Ida Foods, Inc. is giving local women's clubs and organizations an opportunity to test food products and add money to their treasury at the same time. Ore-Ida's marketing department is beginning consumer test panels at their Ontario research and development kitchens. Groups of women will be sampling and evaluating products, and in return the company will contribute to their specific organization. Any local women's group may participate by calling Bernadine Steljes at Ontario, 889-8611.
