Is Your Insurance Coverage Up-Dated to Present Values?

Fire is a menace . . . a menace to the lives of those you hold dear . . . and also a menace to your home and to your place of business. Fire lurks in litter and rubbish, in oily painty rags, in overheated furnaces, in unchecked electrical systems . . . Fire threatens wherever there is carelessness. The best way to Prevent Fires is never to let them start . . .

Make Every Week Fire Prevention Week!

FIRE CAN

- KILL YOUR LOVED ONES!
- RUIN YOUR BUSINESS!
- LEAVE YOU HOMELESS!

DON'T LET FIRES START—

1. Check home and business for fire hazards.
2. Be careful when handling fire in any form.
3. Check all wiring and electrical appliances.
4. Check all heating systems.

even fish like a choice.

Pardon us for carping on a tired subject, but anybody likes a choice. Fishermen will tell you even the finny tribe wants variety. And we think people deserve better than that!

So it behooves us all to keep advertising alive. For as advertising flourishes so flourishes competition. And where there's competition, you, the consumer, fare better. And that's no fish tale.
