TRICK OR TREAT FOR UNICEF

Between 7 and 9 o'clock this evening, Oct. 31 young people of Nyssa and Adrian will be visiting each home for contribution to UNICEF, a United Nations agency exclusively concerned with the well-being of children. UNICEF has moved most recently to assist in Biafra.

Area residents are reminded that all money received goes directly to help needy children throughout the world and none is taken out for administration purposes.

Seventy-five cents buys sulfone to treat a case of leprosy; fifty cents purchases enough DDT to protect seven children from malaria for one year; twenty-five cents will buy enough vaccine to protect twenty children from TB; fifteen cents will purchase 100 vitamin capsules; ten cents will buy antibiotics to prevent trachoma; and even one cent will buy six glasses of milk.

The young people are asked to meet at the following places at 7 o'clock to begin canvassing the various areas: Fourth-sixth grades at the Christian church, 418 Ennis; Junior high students at the St. Bridget's Catholic parish hall, 504 Locust; high school students at St. Paul's Episcopal church, 5th & Bower.

Adrian students are asked to meet at Adrian Community church. Members of the Church of the Nazarene, Faith Lutheran church and Nyssa United Methodist church are all involved with the working committees to carry out a successful UNICEF drive. Last year the campaign raised \$268.57.

The young people will return for parties at the places where they began the drive. Donuts and cider will be served.
