NYSSA STUDENTS VISIT IN BOISE

Students in Mrs. Lorraine Bauman's fourth-grade classroom visited Boise on Tuesday, Oct. 29, 1968.

Helping to organize the trip were Mrs. Savage, Mrs. Ralph Thomas, Mrs. Guy Sparks, Mrs. Duke Hipp and Mrs. Jim Edens. The group visited the Historical museum, Julia Davis park and the zoo.

At the museum they learned about history in the northwest and how people lived long ago.

The students saw handmade mining tools including drills, candle holders and mining spoons.

In the zoo, the group saw raccoons, monkeys, rabbits, birds, fish, beavers, skunks, porcupines, bears, lions, bobcats, cougars, buffaloes, antelope and a billy goat.

They report liking the trip and hope that all Journal readers will get a chance to visit the museum and zoo. - Norene Savage and Megan Jackson, reporters.

TO THE PARENTS

You should interest yourself, actively, in the campaign of your boy or girl entered in this subscription campaign.

The campaign work is an experience and training which will be invaluable to your child later in life.

Your child wants one of the prize bicycles or he or she would not have entered this campaign.

By helping your child win one of these prize bicycles you save the actual money it would cost to get a bicycle for him or her.

Even if you can well afford to buy a bicycle your boy or girl will derive lots of pleasure from the one he or she has won, plus the additional thrill of a real accomplishment.

NOW IS THE TIME

to start an active campaign in earnest. What any candidate has up to this time has no bearing whatever on this second new Cash Prize campaign. It is only for the last week of the campaign, starting Saturday.

Another New Subscription Campaign With \$10 Cash Prize Is Announced

NOTES ON SECOND NEW \$10 CAMPAIGN

The new \$10 prize campaign announced today is the second \$10 cash prize campaign. The first \$10 cash prize campaign ended last Wednesday and was for NEW subscriptions only. The second new \$10 cash prize campaign is for new and renewal subscriptions.

All subscriptions each candidate hands in from Saturday morning of this week to and including Saturday night of next week, will count votes on the original prizes and points on the NEW campaign.

In the event of a tie in the NEW \$10 cash prize campaign, a prize identical in value will be given each tying candidate.

Everybody will win in this second New \$10 cash prize campaign as all subscriptions turned in during the time of the NEW \$10 campaign will count votes toward the original prizes. In the original prize campaign only as many active candidates are allowed to be active as there are prizes, and each active candidate will receive a prize bicycle or cash commission for the work he or she does in this campaign.

All prize winners will be announced and all prizes will be awarded by the judges when they make the final count of votes on the last night of the campaign.

What subscribers any candidate has secured before this time will have absolutely no bearing on the second new \$10 cash prize campaign. Only those subscriptions secured and turned in between Saturday morning of this week and Saturday night of next week (the last night of the campaign) will count in this new campaign.

And now there is another \$10 cash prize—now win it! It will mean \$10 spending money for the winner.

Please help us, candidates, by marking your subscriptions correctly as either OLD or NEW. If a person is now getting the paper he is an OLD subscriber and remains as OLD even if he changes the name or address on the paper. A NEW subscription is one that adds another name to our list.

Candidates receive full credit for all payments on subscriptions.

For Just the Last 8 Days

Just for securing the most points on subscriptions, either old or new, during the last 8 days of the subscription campaign. It's for YOU!

NOTE—This \$10 Prize campaign is a new campaign and only those candidates entered in the original campaign for the prize bicycles and the cash commissions are eligible to compete in the new \$10 prize campaign.

The New Prize of \$10 in Cash

will be given to the candidate among the present active candidates securing the most points on new or old subscriptions between Saturday morning of this week and Saturday night of next week, the closing night of the entire campaign.

Schedule of Points

For the Second New \$10 Cash Prize Campaign

All subscriptions turned in between this Saturday morning and 9 o'clock the same Saturday night, will count points in this NEW \$10 CASH prize campaign as follows:

7 Points per Year

All subscriptions turned in between Monday morning and Wednesday night of next week will count points toward this NEW \$10 CASH prize as follows:

6 Points per Year

All subscriptions turned in between Thursday morning and Saturday night of next week (the last night of the campaign), will count points towards the NEW \$10 CASH prize as follows:

5 Points per Year

NOTE: You will receive more points for subscriptions the earlier you turn them in during this second NEW \$10 campaign. Subscriptions turned in by this Saturday night will count more than those turned in during the following days, and subscriptions turned in by Wednesday night will count more than those handed in later. Start now. Take advantage of the highest point schedule.

YOUR OPPORTUNITY.

WHAT IT MEANS

You can win the \$10 CASH PRIZE in the new campaign and, at the same time and with the same subscriptions, enhance your opportunity of winning the most valuable prize in the original list of prize bicycles and cash commissions.

Each is a separate competition and all subscriptions secured and turned in between Saturday morning of this week, and Saturday night of next week, will count votes toward the original bicycle prize and points in the new \$10 CASH PRIZE campaign. Every one wins, as all subscriptions turned in during the new \$10 campaign will count votes in the original bicycle and cash commission campaign.

**ALL START ON AN EQUAL BASIS
Saturday Morning
IN THE NEW \$10 CAMPAIGN**

CAMPAIGN NOTES

Unless the city entries do their utmost they are going to see the majority of the prize bicycles carried off by the country candidates. The out-of-town list includes some fine workers and excellent subscription producers.

If your name appears in the list of candidates published today you are considered as an active candidate and eligible to share in the list of prizes and commissions if you only report this Saturday and Wednesday and Saturday of next week, with at least two subscriptions each time.

Don't fail to see each and every person who promised you a subscription for Friday or Saturday.

Some have threatened it, but so far no one has done it. That is, cover their area thoroughly, going up one street or road and down the other, calling at every home. You will be surprised at the good results you will secure by doing this.

You should now check back on all those who promised you a subscription or said "maybe" they would pay you later. Many of these people have been holding their payment for a certain candidate but will soon pay it to someone else if the one to whom they promised it does not call back.
